Stevens Point

***Closed November 27th**

Due to vaccine shortage, Portage County Public Health will be hosting these clinics **ONLY** for those in the highest risk groups of individuals. We will **NOT** vaccinate anyone who is not in one of these highest risk groups:

- Persons who live with or provide care for children aged less than 6 months.
- Children aged 6 months through 4 years.
- Children and adolescents aged 5-18 with chronic medical conditions that place them at higher risk for influenza-related complications.
- Pregnant Women.
- Health care and emergency medical services personnel who have direct contact with patients or infectious material.
