Portage County
Health & Human
Services
817 Whiting Ave
Stevens Point
9:00- 11:00AM**

H1N1 Vaccine Available to All

The H1N1 vaccine is now available for everyone in our community. The vaccine is safe and is the best way to prevent influenza.

It is likely that H1N1 influenza will continue into the winter so it is not too late to get vaccinated. For those who have had flu-like symptoms earlier this year, vaccination is still recommended.

For more information, call 211 or go to flu.wisconsin.gov

Visit www.co.portage.wi.us for vaccination clinic updates!
