FINE AMOUNT: \$600 minimum to \$2000 maximum (**EXCEPTION:** minimum and maximum fines are doubled if BAC is .17 to .199; tripled if BAC is .20 to .249; and quadrupled if BAC is .25 or above.)

JAIL (OR MONITORED HOME DETENTION): 60 days - 12 months (not less than a 48 consecutive hour period in county jail).

REVOCAION/DISQUALIFICATION: 24 - 36 months (90 day waiting period and completion of alcohol assessment/driver safety plan for occupational license and absolute sobriety during use). Effective 09/30/05, revocation applies to all driving privileges -- commercial and noncommercial; disqualification for one (1) year from operation of commercial vehicles.

PROBATION OPTION: Probation is discretionary. It is not recommended on offenses with PAC of .02 through .079. For offenses of OWI and PACs of .08 and greater, it is recommended that the guideline PAC sentence be imposed and stayed and that probation then be ordered with conditions of jail, fine, and revocation two levels down on the guidelines.

OCCUPATIONAL/COMMERICAL LICENSE ELIGIBILITY: Effective 9/30/01, OWI offenders with two or more offenses within any five year period are eligible for an occupational license one year from the date of revocation for the offense. If OWI offender does not have two or more offenses within any five year period, then 90-day waiting period applies. Completion of alcohol assessment/driver safety plan for occupational license and absolute sobriety during use. Effective 9/30/05, if conviction for a second or subsequent OWI/PAC is coupled with prior OWI/PAC with commercial vehicle, disqualification for life from operating commercial vehicle.

5. **Court may**, after a finding of inability to pay, reduce the costs or fine and order the person to pay the difference toward the cost of the alcohol assessment and driver safety plan.
