Portage County Sheriff's Office

Operations Division

Patrol

The Portage County Sheriff's Office Patrol consists of 22 Patrol Deputies, 4 Patrol Supervisors, and 3 Shift Commanders. These deputies provide patrol services 24 hours a day/365 days a year. These services include coverage of approximately 810 square miles, including interstate, state, county and town roads. The Patrol section provides full-time law enforcement services for all townships and that do not have a law enforcement agency, as well as assist the two agencies that do provide full-time coverage. In Portage County, only the City of Stevens Point and the Village of Plover have full-time law enforcement coverage. Portage County consists of 17 townships, 9 villages and 10 unincorporated villages. The population of the county, excluding Stevens Point and Plover, is approximately 32,000.

The Sheriff's Office is responsible for enforcing state and local laws and all motor vehicle laws. They respond to and investigate motor vehicle crashes, all criminal activity reported or observed, including but not limited to domestic violence, disturbance, death, burglary, theft, damage to property, weapons, sexual assault, other assaults, fire, mental illness, missing/runaway persons, motor vehicle theft, narcotics, rescue, robbery, suspicious person/vehicle/circumstances, trespassing, wanted persons, 911 calls and alarms.

In addition to the regular duties in the deputies' job description, they are also involved in other duties requiring specialized training. These include:

Field Training Program	Search & Rescue	SRT
CounterAct Program	Emergency Vehicle Operations Instructor	
Community Service Presentation	Defense and Arrest Tactics	K9 Handler
Accident Reconstruction	Firearms Instructor	Taser Instructor

2012 Dodge Charger Patrol Squad

Support Services Branch

The Support Services Branch consists of a Support Services Lieutenant, a Property Sergeant, the Court Services Unit, Detective Bureau and a school safety officer. The Support Services Lieutenant is also responsible for overseeing the Communications Center.

Court Services Unit

In 2007, the Sheriff's Office started the Court Security Unit, which consists of two deputies that are assigned to the second floor of the Courthouse. Their duties included court security and transporting inmates to and from the jail for court appearances. In 2011, the Sheriff's Office expanded the Court Security Unit and renamed it to Court Services Unit. This unit now includes two deputies for second floor courthouse security, two deputies for civil process/inmate transports, one deputy for schools and safety programs and one sergeant to supervise this unit.

See the following 2012 Activity Report for the Court Services Unit.

Civil Process/Inmate Transport

Two deputies are assigned to the duties of civil process and transports from the Court Services Unit. These deputies are responsible for providing transport of people in custody to different facilities throughout the State of Wisconsin. Deputies traveled 75,529 miles in 2012, logging 2,519 hours and transporting 1,321 inmates.

These deputies are also responsible for serving civil process. In 2012, a total of 1,163 civil process papers were issued. Deputies were able to serve 873 of these papers. Deputies also logged 921 attempts on the remainder of the papers.

Detective Bureau

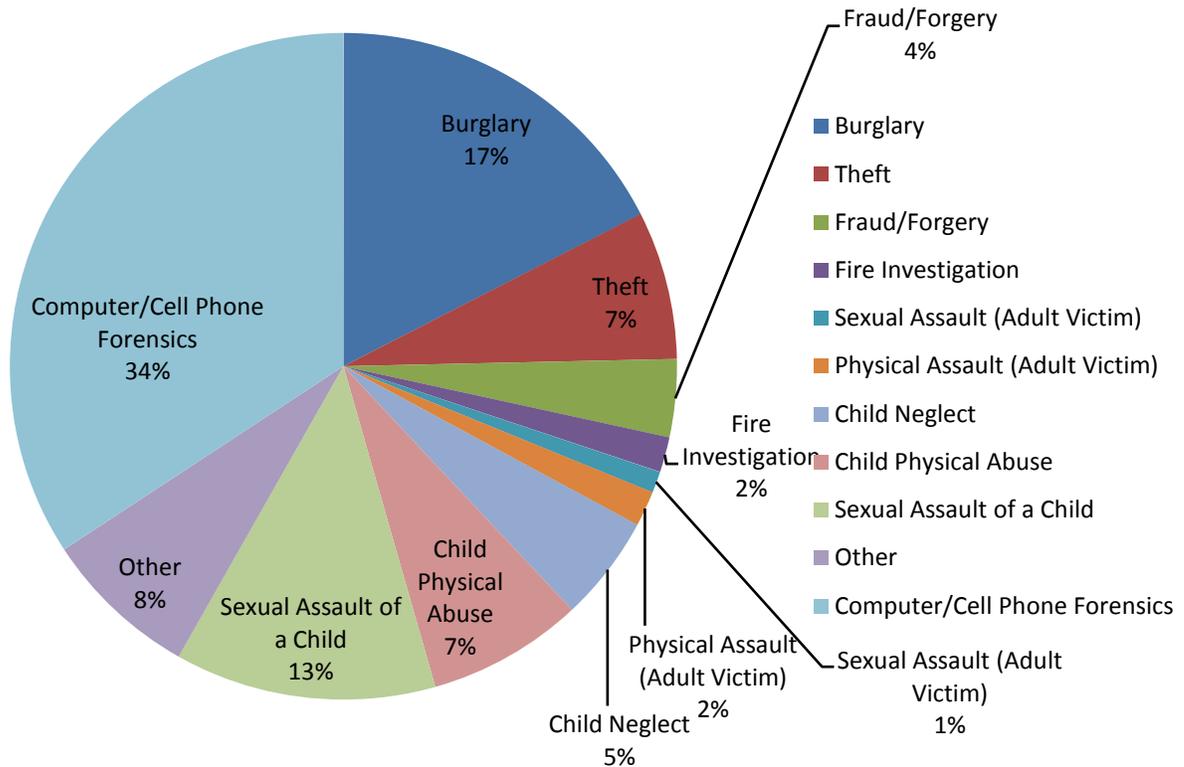

The Detective Bureau consists of four Detectives and one Drug Investigator, supervised by one Detective Sergeant. The Detective Bureau is charged with the investigation of crimes and other matters occurring within Portage County, particularly those matters which require more time or resources. This includes burglaries, sexual assaults, child welfare investigations, arsons, death investigations, and computer crimes. The Detective Bureau also assists in auto accidents involving fatalities where charges may be filed. The Bureau also works in a joint effort with other local, state, or federal agencies. In 2012, the Detective Bureau was primarily assigned to or assisted in approximately 292 investigations.

The Detective Bureau also has one Detective trained in computer forensics to help assist in preserving and obtaining digital evidence from personal computers and cellular telephones. In 2012 the Portage County Sheriff's Office completed 100 forensic examinations, processing 163 pieces of digital media.

The Portage County Drug Investigator works cooperatively with the Stevens Point Police Drug Investigator and the Plover Police Department. The Drug Investigator is also an active member of the Central Wisconsin Drug Task Force, which includes eight Central Wisconsin counties and fourteen law enforcement jurisdictions.

In 2012, Investigators seized drugs such as processed marijuana, 13 marijuana plants, over 87 grams of cocaine, and approximately 101 prescription pills.

2012 Detective Case Distribution

Special Response Team (SRT)

In 1984, six Portage County Sheriff's Office deputies were appointed and formed the Special Weapons and Tactics Team (SWAT). This was in part to be able to assist nearby Shawano County and their dealings with the Posse Comitatus. But Portage County also determined that there was a need to be able to respond to high-risk incidents that would be beyond the capabilities of the normally equipped road deputies.

Since that time, the unit has evolved into the Special Response Team (SRT) that is currently comprised of 22 dedicated officers that includes operators (entry team members and snipers) and crisis negotiators. In order to become an operator on the team, officers must meet stringent physical fitness, problem solving, weapons proficiency, and peer review qualifications. Prospective negotiators are also subject to peer review qualifications. Once accepted on the SRT, entry level training is given to both operators and negotiators, which is then followed up by monthly team training. Techniques, weapons and equipment are constantly being updated and utilized to assure each team member is operating at peak performance. Incidents such as high-risk warrant service, hostage situations, barricaded suspects, and dignitary protection are normally the types of call-outs SRT responds to.

2012 Special Response Team (SRT) Operators

Project Lifesaver

Project Lifesaver is an international search and rescue program implemented in Portage County in 2009 which advocates proactive involvement and specialized rescue operations to respond to incidents where victims of Alzheimer's, Autism, and other related disorders who have wandered from home, become lost and cannot find their way back. In 2012, 17 clients were served by three law enforcement agencies.

All specially trained search and rescue personnel must be trained/certified every two years. Currently, the Portage County Sheriff's Office has one Lead Coordinator and four certified deputies. Stevens Point Police Department has six certified officers, and Plover Police Department has two certified officers.

The Project Lifesaver program was started at the Sheriff's Office in conjunction with the above-listed agencies along with Portage County Aging and Disability Resource Center (ADRC) and Health and Human Services (PCHHS). ADRC and PCHHS screen the patients, makes referrals, and maintain the budget while the Sheriff's Office maintains the operations of the program.

Project Lifesaver is currently funded through monetary grants and donations, fundraisers, volunteerism, and donations of on-duty time by law enforcement agencies to conduct monthly transmitter battery changes, take on new clients, and conduct administrative duties.

K9 Unit

2012 marked the second year for K9 Baco and Deputy Dan Wachowiak working together as the Portage County Sheriff's Office K9 Unit. Baco is now six years old, his drive is stronger than ever, and he is in good health.

In October, Wachowiak and Baco attended the Wisconsin Law Enforcement Canine Handlers Association (WLECHA) annual conference in Fond Du Lac, WI. This training conference is a working conference where the canine team worked through several scenario-based problems, to include simple narcotic detection, apprehensions, and large area searches for both narcotics and people. In November, Baco and his handler traveled to Vohne Liche Kennels for re-certification in drug detection, which is done on an annual basis.

The K9 Unit assisted the Stevens Point Police Department and Plover Police Department with four narcotic search warrants. Two deployments were with our Special Response Team to aid in the arrest of wanted persons and one deployment was with the Stevens Point Police Department for a barricaded subject. In each case, Baco was a factor in the suspect giving up without incident.

Baco was deployed a total of 111 times on incidents such as narcotic searches, search warrants, and SRT/SWAT use. The vast majority of deployments were for the Sheriff's Office, but also included the Stevens Point Police Department, Plover Police Department, Wisconsin State Patrol, and Wood County Sheriff's Office. School searches were conducted at Stevens Point Area High School, Almond High School, Amherst High School, Rosholt High School, and Ben Franklin Junior High School. The Adams County Sheriff Office also requested the use of our K9 Unit to assist them with three prison searches at the Federal Correctional Facility, located in Oxford, WI. In 2012, the K9 Unit made a total of 20 arrests for Possession of Drug Paraphernalia and 23 arrests for Possession of THC. 10 others drug arrests were made by other agencies with assistance from our K9 Unit. Baco and Deputy Wachowiak also conducted approximately six demonstrations during the year for schools, social groups, and other organizations.

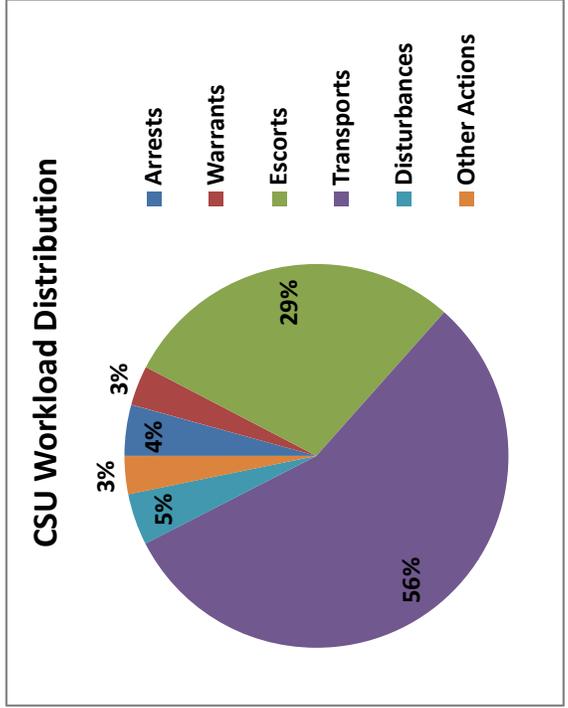

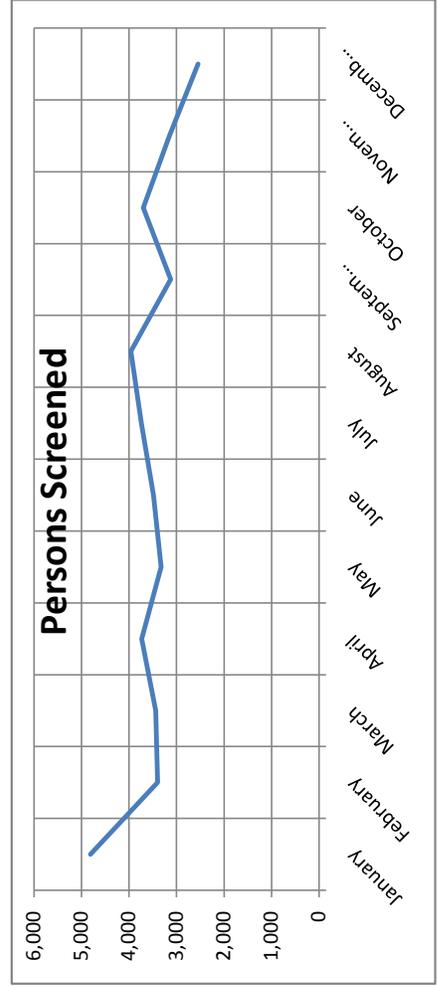

Portage County Sheriff's Office

2012 Safety Programs

School Programs

The Portage County Sheriff's Office offers school safety programs in nine different schools in Portage County. All the schools are located in the jurisdiction of Portage County. The schools are:

1. Almond High and Elementary School
2. Amherst High and Elementary School
3. Bancroft Kindergarten
4. Grant Elementary School
5. J.F. Kennedy Elementary, Village of Junction City
6. McDill Elementary, Village of Whiting
7. Rosholt High and Elementary School
8. St. Adalberts Elementary and Middle School, Rosholt
9. Sacred Heart Elementary and Middle School, Polonia

The schools are provided with a list of programs offered at the beginning of the year. They are as follows:

Stranger Awareness	Abduction Prevention	K.I.D.S. Fingerprinting
Latch Key Program	9-1-1 Emergency Phone Calls	Drug Free Programs
Poison Awareness	Eddie the Eagle-Gun Safety	Code React Drills
Internet Safety	Counter-ACT	Bike Safety
Bike Rodeo	Vandalism	Shoplifting
Driver's Education Talks	Alcohol and Drugs Talks	Safety Cadet Training
Sheriff's Office Tours	Sexual Assault Talks	
DNR Safety Programs – ATV, Snowmobile, Boating, and Hunter Safety		

These are the programs offered, but not limited, to the schools since the school will request presentations related to specific problems that arise throughout the school year, including bully talks, personal space, and inappropriate touching. Programs that were completed in the year 2012 and the approximate students participating are as follows:

Stranger Awareness – Approximately 350 students (all Kindergarten)
K.I.D.S. Fingerprinting – Approximately 350 students (all Kindergarten)
9-1-1 Emergency Phone Calls – (1st & 2nd grades, JFK & Rosholt)
Counter ACT – 351 students (all 5th or 6th grade students in six of the nine schools)
Code React Drills – (all students in the nine schools)
Poison Awareness – Approximately 350 students (all Kindergarten)
Eddie The Eagle Gun Safety – 50 students (1st & 2nd grades, JFK)
Bike Safety –500+ students (2nd, 3rd, and 4th grades)
Bike Rodeo – 350+ students (2nd, 3rd, and 4th grades)
Safety Cadets – 400+ students (4th, 5th, and 6th grades)

Vandalism – 150 students (4th grade)
Internet Safety – 400+ students (5th & 6th grade and Adults)
Bully Talk – 350+ students (14 classes – All grades)
Personal Space/Inappropriate Touching – (All ages)
Sexual Assault Talks – 350+ Students (Middle School and High School Students)

Most of the topics listed above are one session talks. The Counter ACT program is more in depth and consists of six one-hour sessions, which include a presentation to the parents. Each program has material handouts for the students, such as workbooks and other items for the kids. We also have gun lock giveaways and bike helmets available for families that cannot afford them.

Texting and Driving

With the help of Portage County Child Passenger Safety, Element Mobile and Farmers Insurance, we conducted a texting and driving campaign at Rosholt High School. There were approximately 80 students who attended this program and were taught the dangerous consequences of texting and driving through the use of golf carts and an obstacle course specifically designed for this type of event.

Community Programs

We also conduct Neighborhood Watch programs. We have a strong existing Neighborhood Watch Program, and it continues to grow. We give presentations at daycares, elderly housing complexes and driver education classes. We also offer our digital fingerprinting assistance to local safety events throughout the county.

Citizens Patrol Academy

A 2012 Citizen's Academy was offered this year and was a joint effort with Stevens Point Police Department. We decided to postpone this event due to lack of participation. We will be attempting to host another class in 2013.

Crime Stoppers and Quick 50 Programs

The Court Services Sergeant is responsible for the Crime Stoppers and Quick 50 Program. We run ads every other week on several local radio stations (taped by WYTE radio) and Channel 9 Television. Both the radio and television stations tape and broadcast for free as a public service. In 2012, there were 29 tips phoned in, amounting to 24 persons being arrested and 19 cases being solved. A total amount of \$2,200 was paid out to tipsters throughout the year.

Department of Natural Resources Programs

The Court Services Sergeant is also responsible for Department of Natural Resources Programs. Since the inception of mandatory training for youths to participate in ATV, Snowmobile and Hunter Safety, the Sheriff's Office classes have usually been filled to a capacity of 40 students. In 2012, the Sheriff's Office ran three Hunter Safety courses, one Snowmobile Safety course, one ATV Safety course and one Boating Safety course. The Sheriff's Office has approximately twelve instructors that help with these programs. The Sheriff's Office also runs Department of Natural Resources Patrols with boats, ATVs and snowmobiles. The Portage County Sheriff's Office provided 288 hours of Boat Patrol, 34 hours of ATV Patrol and 34 hours of Snowmobile Patrol. All patrols are reimbursed through the State of Wisconsin at a rate of 60 to 100 percent. We currently have one large boat for patrol, a Sea Doo personal water craft for patrol and one small boat for rescue. We also have two snowmobiles and two ATVs.

Portage County Sheriff's Office **Records Division**

The Records Division consists of five full-time civilian employees. Included in this count are three full-time Law Enforcement Records Specialists, one full-time Finance Department Employee/Bookkeeper and a full-time Office Manager. These employees play a vital role in the bookkeeping, human resources, personnel and records management functions of the Sheriff's Office.

The Law Enforcement Records Specialists are responsible for a wide range of duties, including but not limited to:

- (1) Accurately maintaining the Records Management System for incident and crash reports in a manner as to comply with records retention laws and ordinances and for easy retrieval for records requests;
- (2) Transcribing statements from recorded media for the Detective Bureau and Patrol Officers and processing discovery materials for the Portage County District Attorney's Office.
- (3) Preparing civil process papers for service by deputies;
- (4) Managing the Sheriff's Sale process from receipt of Notification of Foreclosure Sale through bid process and receipt of Sheriff's Deed and Report of Sale and filing with Clerk of Courts;
- (5) Completing background check requests from the public, military, and law enforcement agencies while strictly adhering to all Wisconsin Open Records Law standards and departmental policy;
- (6) Suspending registration through the Wisconsin Department of Transportation for unpaid parking tickets; and
- (7) Maintaining certification for and entering data into the Federal ACISS database for drug-related cases.

These staff members also handle reception duties by assisting visitors to the administrative offices and jail and assisting walk-in customers with requests for reports. In 2012, the Sheriff's Office became a licensed Department of Motor Vehicle (DMV) partner. Records staff now handle vehicle licensing, registration and renewal transactions.

The Records Division is also responsible for the financial transactions of the Sheriff's Office. The Office Manager and Bookkeeper manage inmate commissary and billing accounts using Stellar Services software; they safeguard inmate monies by managing a separate checking account for deposits and disbursements. They are also responsible for the processing of all monies received into the Sheriff's Office, bank reconciliations for the Dealer Track (DMV processing) and Huber Trust accounts and collecting outstanding monies due to the Sheriff's Office through invoicing, collection, and tax intercept programs. Other services performed include purchasing of equipment and supplies, preparation of departmental payroll, preparation of procurement card

payments, processing payments to vendors through the voucher program, managing the Department's grant program and compliance with the Fair Labor Standards Act (FLSA) reporting requirements.

The Office Manager oversees the administrative work of the Sheriff's Office and supervises administrative support staff with dotted line authority over the Finance Department's Bookkeeper who is housed at the Sheriff's Office. This position is responsible for oversight and backup for all requirements of the Bookkeeper position and acts as a liaison between the Sheriff's Office and other County Departments. This position takes the lead in reviewing processes and procedures within the Records and Bookkeeping areas of the Sheriff's Office and recommends changes and/or automation to achieve time and cost savings and/or gain efficiencies. The Office Manager participates as a member of the Sheriff's Office management team and actively participates in the development of the budget and monitors budget activity. She also administers Human Resources policies in conformance with union contracts and department guidelines and prepares job evaluations and job descriptions and identifies training need, in addition to processing all paperwork for new hires and terminated employees.

The administrative staff also serves as Recording Secretary to the Portage County Public Safety/Emergency Management Committee and the Portage County Traffic Safety Commission by preparing the agendas and minutes.

Portage County Sheriff's Office **Communications Center**

Level of Service

The Portage County Sheriff's Office Communications Center is commonly referred to as the Dispatch Center. The Center provides a vast array of services to a number of agencies and the citizens of Portage County. The Communications Center is staffed twenty-four hours a day. The Center consists of two Lead Communications Supervisors and eight Communication Technicians. The Center has as many as three Communication Technicians on duty during historically busy times of the day. During the early morning hours when there is usually less activity, the Center may have only one Communication Technician on duty. Beyond the daily duties related to the Portage County Sheriff's Office, the Communications Center provides dispatching and paging duties for the following agencies/incidents:

1. Plover Police Department
2. Portage County Ambulance Service
3. Rapid Response Unit
4. Portage County Parks Department
5. United Ambulance Service
6. 15 fire departments within and adjacent to Portage County
7. 13 Emergency Medical Service groups
8. Rescue Squads
9. Humane Society
10. Department of Natural Resources Wardens and Fire Services
11. Hazardous Materials Response Teams
12. Traffic Management Team
13. Mutual aid requests and MABAS (Mutual Aid Box Alarm System)
14. Fire Investigation Task Force
15. Carbon monoxide calls
16. Medical Priority Dispatching System to aid callers in a medical emergency
17. Advanced Emergency Medical Services –Helicopter(s)
18. Emergency weather services including siren notification and Weather Spotters
19. Backup support as needed for Stevens Point Dispatchers

The Communications Center also provides varying degrees of communication services to the Portage County Highway Department, State of Wisconsin Probation & Parole, Portage County District Attorney's Office, Wisconsin State Patrol Troopers working in Portage County, Red Cross, Portage County Human Services Adult and Juvenile, Coroner's Office, Emergency Management, Planning and Zoning, Lincoln Center drivers and various tow/wrecker services.

Geographical areas of coverage:

The Portage County Sheriff's Office Communications Center provides communication services to all areas of the 810 square mile county outside the jurisdictional area of the Stevens Point Police Department. The Stevens Point Dispatch Center and the Sheriff's Office Communications Center assist each other during times of crisis or high levels of activity. Cross training between the centers ensures the ability to maintain communications throughout the City and County in the event one of the centers becomes inoperable. The Communications Center, as well as the entire Sheriff's Office, works to promote, preserve and deliver quality service to the citizens of Portage County by forming partnerships within the county. These partnerships enhance the security and safety of our community and lead to excellence of service.

Services provided:

The Communications Center provides the vital link between the caller and the responders. The critical information that the Communication Technicians receive is assessed and then disseminated to pertinent emergency responders. This information greatly increases the level of understanding and method of response required for each incident. A Communication Officer handles numerous calls for service each day, with approximately one-third of those calls being 911 calls. In the past, the Sheriff's Office Communications Center and the Stevens Point Dispatch Center received over 113,624 calls for service via the 911 land lines, 911 cell phone lines, and non-emergency lines. This number increases every year due to cell phone availability. Our Communication Technicians answered more than 40% of 911 calls in less than one second. Over 95% of all calls were answered in less than ten seconds. This includes times when multiple calls are received at the same time. The State of Wisconsin recommended average answering time is ten seconds. The Communications Center logged and handled 28,332 calls for service in 2012.

The Portage County Sheriff's Office Communications Center is staffed by highly dedicated, trained professionals, who are committed to providing security and safety to the citizens of Portage County and those traveling through Portage County.

Updated Technology:

The Communications Center continues to use the software program for emergency medical pre-arrival instructions. The updated Priority Medical Dispatch software program called ProQA continues to assist Communication Technicians in asking specific medical questions to determine the nature and severity of the medical emergency. The Communications Technicians can receive and transfer life saving instructions more effectively over the phone and relay that additional information to Emergency Medical Services responding to better facilitate the needs of the emergency. The Communications Center continues to be in the forefront of new technology, both in implementation and awareness of what is available to update and continuing to improve emergency services for Portage County.

Calls By Hour Of Day

Portage County Sheriff's Office

Corrections Division

Staff

The Corrections Division employs 24 full-time Corrections Officers, 5 full-time Corrections Corporals, a Captain, Sergeant and a Juvenile Detention Superintendent. The Portage County Jail continues to use the food service vendor CBM to prepare meals for inmates. CBM was contracted to staff the kitchen and cook the meals. The Jail also has a full-time Jail Social Worker assigned to the Jail by Human Services, a part-time Psychiatrist from Human Services, and a full-time teacher assigned to the Juvenile Detention Center by the Stevens Point School District. The Jail has a contract with Ministry Medical Group to provide part-time medical care at the Jail; a nurse practitioner and an RN. The Jail also has a contract with Mid-State Technical College to provide High School Equivalency (HSED)/GED on a part-time basis. Portage County also has a number of other persons providing service to the Corrections Division at no cost or on a volunteer basis. They include religious programs, grandparent mentoring to youth, drug and alcohol treatment and job coaching.

In the spring of 2012, Juvenile Detention Administrator Ross Dick accepted a new position within Portage County as the Justice Programs Director. Corporal Bolder was re-assigned as the Interim Juvenile Detention Superintendent. Corporal Bolder was promoted to the Juvenile Detention Superintendent in the fall of 2012. This created a vacant Corporal position. Corporal Ron Leach was re-assigned to the Classification Corporal position. Corrections Officer Dale Kuhlka was promoted to the rank of Corporal.

Adult Jail

Population

Average Daily Population for the Jail was as follows:

	<u>2010</u>	<u>2011</u>	<u>2012</u>
Our Jail	70.6	56.8	60.11
Shipped	27.6	32.8	36.02
HDP	7.3	7.5	5.88
Total	105.50	97.1	102.01
Bookings	1696	1659	1691
Length/Stay	27.19	23.27	22.47

New Technology

A new Key Watcher security box and computer program were installed and implemented this year. The Key Watcher program allows supervisors to conduct a real time accurate count of all jail facility keys. A report is generated if an officer has had keys out for an extended period of time. This program has helped the floor supervisors account for keys in real time.

We also completed remodeling projects in the jail, including running two additional CAT 5 cables into the Huber block. The CAT 5 cables are for our next long range plan for additional upgrades.

The Portage County Jail continues to use Live Scan which allows for quick identification of offenders and assists other agencies with identification and photos from our records.

The Jail also continues to use the Guard One system in the both the Adult Jail and Juvenile Detention Center. This system allows the Jail to conduct checks of the jail at 30 minute intervals and document these events in a credible manner. This change continues to be a major improvement for overall jail security and safety. Thirty minute checks are the best way to lower the risk of problems within a jail setting. As this report is run, the supervisors also run the Key Watcher reports to verify the location of jail facility keys.

Our sole booking program in the Portage County Jail is TriTech (formally known as VisionAir), which integrates seamlessly with the Records Management System used by the Sheriff's Office.

Stellar Lockdown commissary service started in March 2010 and remains our inmate banking and commissary vendor. The new commissary system is an automated system inmates can use to order commissary and check their account balances over the phone. The system also allows inmates with a negative balance to deposit money and use half of the funds for personal needs. This has assisted with the collection of old debt current inmates owe to the Portage County Jail.

Remodeling

In 2012, major remodeling projects were conducted inside the Portage County Jail. Huber blocks 1 thru 4 and the juvenile dorm were upgraded and remodeled. The tile floors were removed and the concrete surface was sanded and resurfaced using an epoxy-based flooring. The interior concrete walls were replaced with railings and plexiglass. This increased safety and security for officers and inmates. Again, CAT 5 cable was run into the five above-mentioned blocks for future plans related to upgrading our telephone system. Stainless steel tables were installed in all the Huber dorms, juvenile dorm, and maximum security blocks. The new stainless steel tables are a vast improvement over the original steel tables and will provide many years of maintenance free use. We also installed a stainless steel bench in the main hallway of the jail. The purpose of the bench is to increase control and minimize movement of inmates.

In 2010, the Division of Corrections allowed Portage County to utilize the Juvenile Dorm as a multi-purpose room. When the Juvenile population is low, we are able to close the Juvenile Dorm and reopen it as an Adult Huber Dorm (Huber 5). To accomplish this, the security door was replaced on the adult side. This has expanded the capabilities of the Portage County Jail and reduced the cost of shipping inmates for 2012; the dorm was utilized as an Adult Huber Dorm for 20 days for a \$3,040 savings.

Shipping

In 2012, the Portage County Sheriff's Office automatically renewed a one-year extension of their contract with Lincoln County for calendar years 2013. Portage County is now housing out-of-county inmates solely at Lincoln County. Portage County is currently renting 35 beds a day from the Lincoln County Jail. Housing costs for 2012 are approximately the same as last year at \$433,920. This figure is close in comparison to 2011, where \$408,800 was spent for housing. These costs do not include transportation or medical. The 2012 budgeted amount is \$461,000 compared to the 2011 budgeted amount of \$545,000. During 2012, Portage County moved 687 inmates and made a total of 99 round trips to Lincoln County. Since Portage County started to ship inmates in 1999 to 2012, we have spent \$5,449,759 in shipping costs.

Portage County Savings	\$55,350	\$61,950	\$52,350	\$32,700	\$202,350	\$119,400

The following counties utilized the juvenile detention center during 2012:

Adams, Ashland, Clark, Columbia, Dodge, Door, Eau Claire, Kenosha, Lincoln, Marquette, Portage, Rock, Waupaca, Waushara and Wood.

*Does not include revenues from annual contracts for bedspace.

Statistical Trends for Portage County Youth:

- In 2012, 165 juveniles were placed in secure detention by the Portage County courts and juvenile intake workers. In the 18-year span from 1996 to 2012, the average was 124.72 admissions per year. The 165 admissions is an increase of the average by 24.6%.
- In 2012, Portage County juveniles served 1,349 days in secure detention.
- In 2012, the Average Daily Population of Portage County juveniles was 3.7 per day.
- The term “Portage County Savings” has been used to quantify what Portage County *would have spent* on secure detention had we been shipping our juveniles to other detention centers. (The cost of a juvenile bed has increased somewhat over the years, so the per diem rate used to calculate “Savings” was adjusted from timetotime.) In 2010, Portage County Savings were \$202,350 at \$150.00 per day. This figure does not include the costs of transporting juveniles.

Home Detention

Population

In 2012, an average of 6.06 inmates served their sentence on electronic home monitoring each day. This compares to 7.98 inmates per day in 2011. Persons considered for the Home Detention Program (HDP) are first given a choice in court as to whether or not they want to be on HDP. Screenings then determine if the offender is a good risk for the HDP program. Persons are frequently denied participation in this program because they come for hook-up and test positive for controlled substances, or an unacceptable risk to the community is present such as domestic violence, excessive AODA issues or a substantial risk to re-offend. Some offenders also lack the personal resources necessary for HDP participation, such as residence, telephone and/or startup funds.

Food Service

In 2011, the Portage County Sheriff’s Office entered into a contract with CBM food service. CBM food service now staffs and prepares all meals for inmates. Meals are provided to both the jail and Juvenile Detention Center. Over 73,000 meals were prepared for the division in 2012.

Health Services

Medical Health

Medical services are provided to the jail by Ministry Medical Group in Stevens Point. Our contract provides for sick call two days per week (Tuesday and Friday) by a Nurse Practitioner. These professionals are able to handle most routine care needed and prescribe medications as necessary. We also have a nurse that works Monday through Friday to set up our prescription medications for delivery. We pay Saints \$80/hr for the Nurse Practitioner and \$39.00/hr for the RN. This cost is all-inclusive. We are very happy with the service provided, as we seldom have to transport inmates for outside medical care. Inmates are billed \$10 to see the Nurse Practitioner for sick call. Any health care costs from outside the facility are charged back to the inmate.

Mental Health

Mental health services are provided by our Social Worker, Dan Barth, who is employed by Human Services but works full-time at the jail. He handles all of our crisis management and screening for mental health services. We seldom send persons out of the jail for in-patient mental health treatment, which saves the county thousands of dollars annually.

Tax Return Intercept Program

The Portage County Corrections Division is now participating in the Wisconsin Department of Revenue tax return intercept program (TRIP), which captures State tax returns from released offenders that owe the jail money. This program is working very well. In 2012, \$65,600 in outstanding inmate debt was collected through the TRIP program.

Inmate Programs

Behavior Modification

Dan Barth conducts a number of programs in the jail to assist inmates with their treatment needs in AODA, anger management, and criminal thinking errors. Additionally, Mike Slaven from Ministry Behavioral Health works with inmates one-on-one with drug and alcohol issues.

Jail Chaplaincy

Our jail chaplain comes to the Jail each Thursday to minister to inmates on a one-on-one basis. She also conducts services on holidays. Another group comes to the jail on Friday evenings and conducts two bible study sessions for the inmates.

Jail HSED/GED

Our jail schooling program is conducted by Mid-State Technical College. Basic education is provided to inmates who can then test for their High School Equivalency Diploma (HSED) at the jail. Several inmates each year receive HSEDs while in jail.

Juvenile Education

Juvenile offenders receive schooling provided by the Stevens Point schools daily during the school year. General education subjects are taught. Computers are also used by the teacher.

Grandparent Program for Juveniles

The Department on Aging (through the RSVP program) provides seniors who come into the Juvenile Detention Center twice per week to meet with and mentor youth in the facility. Seniors also visit on a one-on-one basis, as requested. This is a valuable volunteer program.

Independent Living Skills for Juveniles

Youth 4 Christ volunteers mentor juveniles about making good decisions in life, using biblical principles without quoting scriptures.

Contacts for Additional Information

Captain Cory Nelson, Jail Administrator (715) 346-1471
Rocky Bolder, Juvenile Detention Superintendent (715) 346-1452
