Property Owner's Statement:

The undersigned hereby makes application for a permit to construct an animal manure storage facility on the property herein described. The work to be performed is described in the attached plan. The undersigned agrees that all such work shall comply with all applicable animal manure storage facility standards outlined in the Natural Resource Conservation Service (NRCS) Technical Guide and with all other applicable County Ordinances and the laws and regulations of the State of Wisconsin. Facilities for which permits are issued shall be operated and managed in accordance with NRCS Technical Standards specified in Sec. 313 and 590 of the Technical Guide.

NOTE: Deviations from original plan must be reviewed and approved by the Land and Water Conservation Division (LWCD) or NRCS prior to installation. The permit fee shall be \$1 per \$1,000 of estimated construction cost. Construction activities authorized by this permit must be completed within one year of the date of issuance. The LWCD may grant a one year extension. After two years from issuance, expired permits may be reissued without a fee if the LWCD determines the applicant was not responsible for project delays.
