Comprehensive Planning

Town of Amherst
Comprehensive Plan
2015

(3) (a) Establish a demographic services center for the purpose of developing and administering systems needed to carry out the functions of the department under subs. (1) and (2), maintaining a current repository of appropriate published and computer retrievable federal census information and cooperating with state agencies and regional planning agencies so that the department's population estimates, projections and published reports are useful for planning and other purposes for which they are required. The center shall coordinate population information development and use. The center shall provide assistance to and encourage and coordinate efforts by state and local agencies, regional planning agencies and private businesses and associations to inform the public regarding the federal census process and the importance of obtaining a complete, accurate federal decennial census. The department may enter into agreements with state and local agencies or regional planning agencies for their assistance in the preparation of population estimates, projections and forecasts.

(b) Maintain and keep current throughout the decade the maps of congressional and legislative district boundaries received from the legislative reference bureau under s. 13.92 (1) (a) 6. and provide copies thereof to the government accountability board.

(c) Serve as the state's liaison to the U.S. bureau of the census to facilitate accurate federal decennial census counts in this state.

16.9645 Interoperability council. (1) In this section:

(a) "Council" means the interoperability council created under s. 15.107 (18).

(b) "Dispatch center" has the meaning given for "public safety answering point" in s. 256.35 (1) (gm).

(c) "Interoperability" means the ability of public safety agencies to communicate with each other and with agencies and entities identified under sub. (2) (a) by means of radio or associated communications systems, including the exchange of voice, data, or video communications on demand and in real time, as needed and authorized.

(d) "Public safety agency" has the meaning given in s. 256.35 (1) (g).

(2) The council shall do all of the following:

(a) Identify types of agencies and entities, including public works and transportation agencies, hospitals, and volunteer emergency services agencies to be included, in addition to public safety agencies, in a statewide public safety interoperable communication system.

(b) Recommend short-term and long-term goals to achieve a statewide public safety interoperable communication system.

(c) Recommend and periodically review a strategy and timeline for achieving the goals under par. (b), including objectives for local units of government.

(d) Assist the department of justice in identifying and obtaining funding to implement a statewide public safety interoperable communication system.

(e) Advise the department of justice and the department of military affairs on allocating funds, including those available for homeland security, for the purpose of achieving the goals under par. (b).

(f) Make recommendations to the department of justice on all of the following:

1. Technical and operational standards for public safety interoperable communication systems.

2. Guidelines and procedures for using public safety interoperable communication systems.

3. Minimum standards for public safety interoperable communication systems, facilities, and equipment used by dispatch centers.

4. Certification criteria for persons who operate public safety interoperable communication systems for dispatch centers.

16.965 Planning grants to local governmental units.

(1) In this section:

(a) "Local governmental unit" means a county, city, village, town or regional planning commission.

(b) "Smart growth area" means an area that will enable the development and redevelopment of lands with existing infrastructure and municipal, state and utility services, where practicable, or that will encourage efficient development patterns that are both contiguous to existing development and at densities that have relatively low municipal, state governmental and utility costs.

(2) From the appropriations under s. 20.505 (1) (cm) and (ud), the department may provide grants to local governmental units to be used to finance the cost of planning activities, including contracting for planning consultant services, public planning sessions and other planning outreach and educational activities, or for the purchase of computerized planning data, planning software or the hardware required to utilize that data or software. The department shall require any local governmental unit that receives a grant under this section to finance a percentage of the cost of the product or service to be funded by the grant from the resources of the local governmental unit. The department shall determine the percentage of the cost to be funded by a local governmental unit based on the number of applications for grants and the availability of funding to finance grants for the fiscal year in which grants are to be provided. A local governmental unit that desires to receive a grant under this subsection shall file an application with the department. The application shall contain a complete statement of the expenditures proposed to be made for the purposes of the grant. No local governmental unit is eligible to receive a grant under this subsection unless the local governmental unit agrees to utilize the grant to finance planning for all of the purposes specified in s. 66.1001 (2).

(4) In determining whether to approve a proposed grant, preference shall be accorded to applications of local governmental units that contain all of the following elements:

(a) Planning efforts that address the interests of overlapping or neighboring jurisdictions.

(b) Planning efforts that contain a specific description of the means by which all of the following local, comprehensive planning goals will be achieved:

1. Promotion of the redevelopment of lands with existing infrastructure and public services and the maintenance and rehabilitation of existing residential, commercial and industrial structures.

2. Encouragement of neighborhood designs that support a range of transportation choices.

3. Protection of natural areas, including wetlands, wildlife habitats, lakes, woodlands, open spaces and groundwater resources.

4. Protection of economically productive areas, including farmland and forests.

5. Encouragement of land uses, densities and regulations that promote efficient development patterns and relatively low municipal, state governmental and utility costs.

6. Preservation of cultural, historic and archaeological sites.

7. Encouragement of coordination and cooperation among nearby units of government.

8. Building of community identity by revitalizing main streets and enforcing design standards.

9. Providing an adequate supply of affordable housing for individuals of all income levels throughout each community.

10. Providing adequate infrastructure and public services and an adequate supply of developable land to meet existing and

16.965 DEPARTMENT OF ADMINISTRATION

future market demand for residential, commercial and industrial uses.

11. Promoting the expansion or stabilization of the current economic base and the creation of a range of employment opportunities at the state, regional and local levels.

12. Balancing individual property rights with community interests and goals.

13. Planning and development of land uses that create or preserve varied and unique urban and rural communities.

14. Providing an integrated, efficient and economical transportation system that affords mobility, convenience and safety and that meets the needs of all citizens, including transit-dependent and disabled citizens.

(c) Planning efforts that identify smart growth areas.

(d) Planning efforts, including subsequent updates and amendments, that include development of implementing ordinances, including ordinances pertaining to zoning, subdivisions and land division.

(e) Planning efforts for which completion is contemplated within 30 months of the date on which a grant would be awarded.

(f) Planning efforts that provide opportunities for public participation throughout the planning process.

(5) The department may, upon application, grant a local governmental unit that has received a grant under sub. (2) and that has not adopted a comprehensive plan under s. 66.1001 an extension of time to adopt a comprehensive plan. During the period of the extension, the local governmental unit shall be exempt from the requirements under s. 66.1001 (3).

16.9651 Transportation planning grants to local governmental units. (1) In this section, "local governmental unit" means a county, city, village, town or regional planning commission.

(2) From the appropriation under s. 20.505 (1) (z), the department may provide grants to local governmental units to be used to finance the cost of planning activities related to the transportation element, as described in s. 66.1001 (2) (c), of a comprehensive plan, as defined in s. 66.1001 (1) (a), including contracting for planning consultant services, public planning sessions, and other planning outreach and educational activities, or for the purchase of computerized planning data, planning software, or the hardware required to utilize that data or software. The department may require any local governmental unit that receives a grant under this section to finance not more than 25% of the cost of the product or service to be funded by the grant from the resources of the local governmental unit. Prior to awarding a grant under this section, the department shall forward a detailed statement of the proposed expenditures to be made under the grant to the secretary of transportation and obtain his or her written approval of the proposed expenditures.

16.966 Geographic information systems. The department may develop and maintain geographic information systems relating to land in this state for the use of governmental and non-governmental units.

History: 1997 a. 27 ss. 133am to 133d, 9456 (3m); 2003 a. 33 s. 2811; 2003 a. 48 ss. 10, 11; 2003 a. 206 s. 23; 2005 a. 25 ss. 91, 2493.

16.967 Land information program. (1) **DEFINITIONS.** In this section:

(a) "Agency" has the meaning given in s. 16.70 (1e).

(b) "Land information" means any physical, legal, economic, or environmental information or characteristics concerning land, water, groundwater, subsurface resources, or air in this state.

"Land information" includes information relating to topography, soil, soil erosion, geology, minerals, vegetation, land cover, wildlife, associated natural resources, land ownership, land use, land use controls and restrictions, jurisdictional boundaries, tax assessment, land value, land survey records and references, geodetic control networks, aerial photographs, maps, planimetric data, remote sensing data, historic and prehistoric sites, and economic projections.

(c) "Land information system" means an orderly method of organizing and managing land information and land records.

(d) "Land records" means maps, documents, computer files, and any other information storage medium in which land information is recorded.

(e) "Systems integration" means land information that is housed in one jurisdiction or jurisdictional subunit and is available to other jurisdictions, jurisdictional subunits, public utilities, and other private sector interests.

(3) **DUTIES OF DEPARTMENT.** The department shall direct and supervise the land information program and serve as the state clearinghouse for access to land information. In addition, the department shall:

(a) Provide technical assistance and advice to state agencies and local governmental units with land information responsibilities.

(b) Maintain and distribute an inventory of land information available for this state, land records available for this state, and land information systems.

(c) Prepare guidelines to coordinate the modernization of land records and land information systems.

(cm) Provide standards for the preparation of countywide plans for land records modernization under s. 59.72 (3) (b), including a list of minimum elements to be addressed in the plan.

(d) Review project applications received under sub. (7) and determine which projects are approved.

(e) Review for approval a countywide plan for land records modernization prepared under s. 59.72 (3) (b).

(f) Review reports received under s. 59.72 (2) (b) and determine whether county expenditures of funds received under sub. (7) and s. 59.72 (5) (b) have been made for authorized purposes.

(g) Post reports received under s. 59.72 (2) (b) on the Internet.

(h) Establish an implementation plan for a statewide digital parcel map.

(4) **FUNDING REPORT.** The department shall identify and study possible program revenue sources or other revenue sources for the purpose of funding the operations of the land information program, including grants to counties under sub. (7).

(6) **REPORTS.** (a) By March 31 of each year, the department of administration, the department of agriculture, trade and consumer protection, the department of safety and professional services, the department of health services, the department of natural resources, the department of tourism, the department of revenue, the department of transportation, the board of regents of the University of Wisconsin System, the public service commission, and the board of curators of the historical society shall each submit to the department a plan to integrate land information to enable such information to be readily translatable, retrievable, and geographically referenced for use by any state, local governmental unit, or public utility. Upon receipt of this information, the department shall integrate the information to enable the information to be used to meet land information data needs. The integrated information shall be readily translatable, retrievable, and geographically referenced to enable members of the public to use the information.

(b) No later than January 1, 2017, the department shall submit to the members of the joint committee on finance a report on the progress in developing a statewide digital parcel map.

(7) **AID TO COUNTIES.** (a) A county board that has established a county land information office under s. 59.72 (3) may apply to the department on behalf of any local governmental unit, as

surer, who need not be a member of the board, to perform services specified by the board.

(b) Members, and any assistant treasurer, shall qualify by taking the official oath, and the treasurer and any assistant treasurer shall furnish a bond in a sum specified by the board and in the form and conditioned as provided in s. 19.01 (2) and (3). The oaths and bonds shall be filed with the county clerk. The cost of the bond shall be paid by the board.

(8) POWERS OF BOARD. The board may, subject to provisions of the ordinance:

(a) Contract for the construction or other acquisition, equipment or furnishing of a hospital.

(b) Contract for the construction or other acquisition of additions or improvements to, or alterations in, a hospital and the equipment or furnishing of an addition.

(c) Employ a manager of a hospital and other necessary personnel and fix their compensation.

(d) Enact, amend and repeal rules and regulations for the admission to, and government of patients at, a hospital, for the regulation of the board's meetings and deliberations, and for the government, operation and maintenance of the hospital and the hospital employees.

(e) Contract for and purchase all fuel, food, equipment, furnishings and supplies reasonably necessary for the proper operation and maintenance of a hospital.

(f) Audit all accounts and claims against a hospital or against the board, and, if approved, pay the accounts and claims from the fund specified in sub. (10). All expenditures made pursuant to this section shall be within the limits of the ordinance.

(g) Sue and be sued, and to collect or compromise any obligations due to the hospital. All money received shall be paid into the joint hospital fund.

(h) Make studies and recommendations to the county board and city council or city councils relating to the operation of a hospital as the board considers advisable or the governing bodies request.

(i) Employ counsel on either a temporary or permanent basis.

(9) BUDGET. The board shall annually, before the time of the preparation of either the county or city budget under s. 65.90, prepare a budget of its anticipated receipts and expenditures for the ensuing fiscal year and determine the proportionate cost to the county and the participating city or cities under the terms of the ordinance. A certified copy of the budget, which shall include a statement of the net amount required from the county and city or cities, shall be delivered to the clerks of the respective municipalities. The county board and the common council of the city or cities shall consider the budget, and determine the amount to be raised by the respective municipalities in the proportions determined by the ordinance. After this determination, the county and city or cities respectively shall levy a tax sufficient to produce the amount to be raised by the county and city or cities.

(10) HOSPITAL FUND. A joint county–city hospital fund shall be created and established in a public depository to be specified in the ordinance. The treasurer of the respective county and city or cities shall pay into the fund the amounts specified by the ordinance and resolutions of the respective municipalities when the amounts have been collected. All of the moneys which come into the fund are appropriated to the board for the execution of its functions as provided by the ordinance and the resolutions of the respective municipalities. The moneys in the fund shall be paid out by the treasurer of the hospital board only upon the approval or direction of the board.

(11) CORRELATION OF LAWS. (a) In any case where a bid is a prerequisite to contract in connection with a county or city hospital under s. 66.0901, it is also a prerequisite to a valid contract by the board. For this purpose, the board is a municipality and the contract a public contract under s. 66.0901.

(b) All statutory requirements, not inconsistent with the provision of this section, applicable to general county or city hospitals apply to hospitals referred to in this section.

(12) REPORTS. The board shall report its activities to the county board and the city council or councils annually, or oftener as either of the municipalities requires.

(14) POWERS OF VILLAGES. Villages have all of the powers granted to cities under subs. (1) to (12) and whenever any village exercises these powers the word “city” wherever it appears in subs. (1) to (12) means “village” unless the context otherwise requires. Any village participating in the construction or other acquisition of a hospital or in its operation, pursuant to this section, may enter into lease agreements leasing the hospital and its equipment and furnishings to a nonprofit corporation.

(15) POWERS OF TOWNS. Towns have all of the powers granted to cities under subs. (1) to (12) and whenever any town exercises these powers the word “city” wherever it appears in subs. (1) to (12) means “town” unless the context otherwise requires. Any town participating in the construction or other acquisition of a hospital or in its operation, under this section, may enter into lease agreements leasing the hospital and its equipment and furnishings to a nonprofit corporation.

SUBCHAPTER X

PLANNING, HOUSING AND TRANSPORTATION

66.1001 Comprehensive planning. (1) DEFINITIONS. In this section:

(a) “Comprehensive plan” means a guide to the physical, social, and economic development of a local governmental unit that is one of the following:

1. For a county, a development plan that is prepared or amended under s. 59.69 (2) or (3).

2. For a city, village, or town, a master plan that is adopted or amended under s. 62.23 (2) or (3).

3. For a regional planning commission, a master plan that is adopted or amended under s. 66.0309 (8), (9) or (10).

(am) “Consistent with” means furthers or does not contradict the objectives, goals, and policies contained in the comprehensive plan.

(b) “Local governmental unit” means a city, village, town, county or regional planning commission that may adopt, prepare or amend a comprehensive plan.

(c) “Political subdivision” means a city, village, town, or county that may adopt, prepare, or amend a comprehensive plan.

(2) CONTENTS OF A COMPREHENSIVE PLAN. A comprehensive plan shall contain all of the following elements:

(a) *Issues and opportunities element.* Background information on the local governmental unit and a statement of overall objectives, policies, goals and programs of the local governmental unit to guide the future development and redevelopment of the local governmental unit over a 20–year planning period. Background information shall include population, household and employment forecasts that the local governmental unit uses in developing its comprehensive plan, and demographic trends, age distribution, educational levels, income levels and employment characteristics that exist within the local governmental unit.

(b) *Housing element.* A compilation of objectives, policies, goals, maps and programs of the local governmental unit to provide an adequate housing supply that meets existing and forecasted housing demand in the local governmental unit. The element shall assess the age, structural, value and occupancy characteristics of the local governmental unit's housing stock. The element shall also identify specific policies and programs that promote the development of housing for residents of the local

governmental unit and provide a range of housing choices that meet the needs of persons of all income levels and of all age groups and persons with special needs, policies and programs that promote the availability of land for the development or redevelopment of low-income and moderate-income housing, and policies and programs to maintain or rehabilitate the local governmental unit's existing housing stock.

(c) *Transportation element.* A compilation of objectives, policies, goals, maps and programs to guide the future development of the various modes of transportation, including highways, transit, transportation systems for persons with disabilities, bicycles, electric personal assistive mobility devices, walking, railroads, air transportation, trucking and water transportation. The element shall compare the local governmental unit's objectives, policies, goals and programs to state and regional transportation plans. The element shall also identify highways within the local governmental unit by function and incorporate state, regional and other applicable transportation plans, including transportation corridor plans, county highway functional and jurisdictional studies, urban area and rural area transportation plans, airport master plans and rail plans that apply in the local governmental unit.

(d) *Utilities and community facilities element.* A compilation of objectives, policies, goals, maps and programs to guide the future development of utilities and community facilities in the local governmental unit such as sanitary sewer service, storm water management, water supply, solid waste disposal, on-site wastewater treatment technologies, recycling facilities, parks, telecommunications facilities, power-generating plants and transmission lines, cemeteries, health care facilities, child care facilities and other public facilities, such as police, fire and rescue facilities, libraries, schools and other governmental facilities. The element shall describe the location, use and capacity of existing public utilities and community facilities that serve the local governmental unit, shall include an approximate timetable that forecasts the need in the local governmental unit to expand or rehabilitate existing utilities and facilities or to create new utilities and facilities and shall assess future needs for government services in the local governmental unit that are related to such utilities and facilities.

(e) *Agricultural, natural and cultural resources element.* A compilation of objectives, policies, goals, maps and programs for the conservation, and promotion of the effective management, of natural resources such as groundwater, forests, productive agricultural areas, environmentally sensitive areas, threatened and endangered species, stream corridors, surface water, floodplains, wetlands, wildlife habitat, metallic and nonmetallic mineral resources consistent with zoning limitations under s. 295.20 (2), parks, open spaces, historical and cultural resources, community design, recreational resources and other natural resources.

(f) *Economic development element.* A compilation of objectives, policies, goals, maps and programs to promote the stabilization, retention or expansion, of the economic base and quality employment opportunities in the local governmental unit, including an analysis of the labor force and economic base of the local governmental unit. The element shall assess categories or particular types of new businesses and industries that are desired by the local governmental unit. The element shall assess the local governmental unit's strengths and weaknesses with respect to attracting and retaining businesses and industries, and shall designate an adequate number of sites for such businesses and industries. The element shall also evaluate and promote the use of environmentally contaminated sites for commercial or industrial uses. The element shall also identify county, regional and state economic development programs that apply to the local governmental unit.

(g) *Intergovernmental cooperation element.* A compilation of objectives, policies, goals, maps, and programs for joint planning and decision making with other jurisdictions, including school districts, drainage districts, and adjacent local governmental units, for siting and building public facilities and sharing public ser-

vices. The element shall analyze the relationship of the local governmental unit to school districts, drainage districts, and adjacent local governmental units, and to the region, the state and other governmental units. The element shall consider, to the greatest extent possible, the maps and plans of any military base or installation, with at least 200 assigned military personnel or that contains at least 2,000 acres, with which the local governmental unit shares common territory. The element shall incorporate any plans or agreements to which the local governmental unit is a party under s. 66.0301, 66.0307 or 66.0309. The element shall identify existing or potential conflicts between the local governmental unit and other governmental units that are specified in this paragraph and describe processes to resolve such conflicts.

(h) *Land-use element.* A compilation of objectives, policies, goals, maps and programs to guide the future development and redevelopment of public and private property. The element shall contain a listing of the amount, type, intensity and net density of existing uses of land in the local governmental unit, such as agricultural, residential, commercial, industrial and other public and private uses. The element shall analyze trends in the supply, demand and price of land, opportunities for redevelopment and existing and potential land-use conflicts. The element shall contain projections, based on the background information specified in par. (a), for 20 years, in 5-year increments, of future residential, agricultural, commercial and industrial land uses including the assumptions of net densities or other spatial assumptions upon which the projections are based. The element shall also include a series of maps that shows current land uses and future land uses that indicate productive agricultural soils, natural limitations for building site development, floodplains, wetlands and other environmentally sensitive lands, the boundaries of areas to which services of public utilities and community facilities, as those terms are used in par. (d), will be provided in the future, consistent with the timetable described in par. (d), and the general location of future land uses by net density or other classifications.

(i) *Implementation element.* A compilation of programs and specific actions to be completed in a stated sequence, including proposed changes to any applicable zoning ordinances, official maps, or subdivision ordinances, to implement the objectives, policies, plans and programs contained in pars. (a) to (h). The element shall describe how each of the elements of the comprehensive plan will be integrated and made consistent with the other elements of the comprehensive plan, and shall include a mechanism to measure the local governmental unit's progress toward achieving all aspects of the comprehensive plan. The element shall include a process for updating the comprehensive plan. A comprehensive plan under this subsection shall be updated no less than once every 10 years.

(2m) EFFECT OF ENACTMENT OF A COMPREHENSIVE PLAN. The enactment of a comprehensive plan by ordinance does not make the comprehensive plan by itself a regulation.

(3) ORDINANCES THAT MUST BE CONSISTENT WITH COMPREHENSIVE PLANS. Except as provided in sub. (3m), beginning on January 1, 2010, if a local governmental unit enacts or amends any of the following ordinances, the ordinance shall be consistent with that local governmental unit's comprehensive plan:

(g) Official mapping ordinances enacted or amended under s. 62.23 (6).

(h) Local subdivision ordinances enacted or amended under s. 236.45 or 236.46.

(j) County zoning ordinances enacted or amended under s. 59.69.

(k) City or village zoning ordinances enacted or amended under s. 62.23 (7).

(L) Town zoning ordinances enacted or amended under s. 60.61 or 60.62.

(q) Shorelands or wetlands in shorelands zoning ordinances enacted or amended under s. 59.692, 61.351, 61.353, 62.231, or 62.233.

(3m) DELAY OF CONSISTENCY REQUIREMENT. (a) If a local governmental unit has not adopted a comprehensive plan before January 1, 2010, the local governmental unit is exempt from the requirement under sub. (3) if any of the following applies:

1. The local governmental unit has applied for but has not received a comprehensive planning grant under s. 16.965 (2), and the local governmental unit adopts a resolution stating that the local governmental unit will adopt a comprehensive plan that will take effect no later than January 1, 2012.

2. The local governmental unit has received a comprehensive planning grant under s. 16.965 (2) and has been granted an extension of time under s. 16.965 (5) to complete comprehensive planning.

(b) The exemption under par. (a) shall continue until the following dates:

1. For a local governmental unit exempt under par. (a) 1., January 1, 2012.

2. For a local governmental unit exempt under par. (a) 2., the date on which the extension of time granted under s. 16.965 (5) expires.

(4) PROCEDURES FOR ADOPTING COMPREHENSIVE PLANS. A local governmental unit shall comply with all of the following before its comprehensive plan may take effect:

(a) The governing body of a local governmental unit shall adopt written procedures that are designed to foster public participation, including open discussion, communication programs, information services, and public meetings for which advance notice has been provided, in every stage of the preparation of a comprehensive plan. The written procedures shall provide for wide distribution of proposed, alternative, or amended elements of a comprehensive plan and shall provide an opportunity for written comments on the plan to be submitted by members of the public to the governing body and for the governing body to respond to such written comments. The written procedures shall describe the methods the governing body of a local governmental unit will use to distribute proposed, alternative, or amended elements of a comprehensive plan to owners of property, or to persons who have a leasehold interest in property pursuant to which the persons may extract nonmetallic mineral resources in or on property, in which the allowable use or intensity of use of the property is changed by the comprehensive plan.

(b) The plan commission or other body of a local governmental unit that is authorized to prepare or amend a comprehensive plan may recommend the adoption or amendment of a comprehensive plan only by adopting a resolution by a majority vote of the entire commission. The vote shall be recorded in the official minutes of the plan commission or other body. The resolution shall refer to maps and other descriptive materials that relate to one or more elements of a comprehensive plan. One copy of an adopted comprehensive plan, or of an amendment to such a plan, shall be sent to all of the following:

1. Every governmental body that is located in whole or in part within the boundaries of the local governmental unit.

2. The clerk of every local governmental unit that is adjacent to the local governmental unit that is the subject of the plan that is adopted or amended as described in par. (b) (intro.).

4. After September 1, 2005, the department of administration.

5. The regional planning commission in which the local governmental unit is located.

6. The public library that serves the area in which the local governmental unit is located.

(c) No comprehensive plan that is recommended for adoption or amendment under par. (b) may take effect until the political subdivision enacts an ordinance or the regional planning commission adopts a resolution that adopts the plan or amendment. The political subdivision may not enact an ordinance or the regional planning commission may not adopt a resolution under this paragraph

unless the comprehensive plan contains all of the elements specified in sub. (2). An ordinance may be enacted or a resolution may be adopted under this paragraph only by a majority vote of the members-elect, as defined in s. 59.001 (2m), of the governing body. One copy of a comprehensive plan enacted or adopted under this paragraph shall be sent to all of the entities specified under par. (b).

(d) No political subdivision may enact an ordinance or no regional planning commission may adopt a resolution under par. (c) unless the political subdivision or regional planning commission holds at least one public hearing at which the proposed ordinance or resolution is discussed. That hearing must be preceded by a class 1 notice under ch. 985 that is published at least 30 days before the hearing is held. The political subdivision or regional planning commission may also provide notice of the hearing by any other means it considers appropriate. The class 1 notice shall contain at least the following information:

1. The date, time and place of the hearing.

2. A summary, which may include a map, of the proposed comprehensive plan or amendment to such a plan.

3. The name of an individual employed by the local governmental unit who may provide additional information regarding the proposed ordinance.

4. Information relating to where and when the proposed comprehensive plan or amendment to such a plan may be inspected before the hearing, and how a copy of the plan or amendment may be obtained.

(e) At least 30 days before the hearing described in par. (d) is held, a local governmental unit shall provide written notice to all of the following:

1. An operator who has obtained, or made application for, a permit that is described under s. 295.12 (3) (d).

2. A person who has registered a marketable nonmetallic mineral deposit under s. 295.20.

3. Any other property owner or leaseholder who has an interest in property pursuant to which the person may extract nonmetallic mineral resources, if the property owner or leaseholder requests in writing that the local governmental unit provide the property owner or leaseholder notice of the hearing described in par. (d).

(f) A political subdivision shall maintain a list of persons who submit a written request to receive notice of any proposed ordinance, described under par. (c), that affects the allowable use of the property owned by the person. At least 30 days before the hearing described in par. (d) is held a political subdivision shall provide written notice, including a copy of the proposed ordinance, to all such persons. The notice shall be by mail or in any reasonable form that is agreed to by the person and the political subdivision. The political subdivision may charge each person on the list who receives a notice a fee that does not exceed the approximate cost of providing the notice to the person.

(5) APPLICABILITY OF A REGIONAL PLANNING COMMISSION'S PLAN. A regional planning commission's comprehensive plan is only advisory in its applicability to a political subdivision and a political subdivision's comprehensive plan.

(6) COMPREHENSIVE PLAN MAY TAKE EFFECT. Notwithstanding sub. (4), a comprehensive plan, or an amendment of a comprehensive plan, may take effect even if a local governmental unit fails to provide the notice that is required under sub. (4) (e) or (f), unless the local governmental unit intentionally fails to provide the notice.

A municipality has the authority under s. 236.45 (2) to impose a temporary town-wide prohibition on land division while developing a comprehensive plan under this section. *Wisconsin Realtors Association v. Town of West Point*, 2008 WI App 40, 309 Wis. 2d 199, 747 N.W.2d 681, 06-2761.

The use of the word "coordination" in various statutes dealing with municipal planning does not by itself authorize towns to invoke a power of "coordination" that would impose affirmative duties upon certain municipalities that are in addition to
