Announcing the 2018 Portage County Safety Fair At Mark Toyota of Plover

The Portage County Sheriff is pleased to join with other Portage County emergency service agencies as well as Mark Toyota of Plover as they host the annual Safety Fair. This fun, educational, and free event is scheduled for May 12th from 10 a.m. to 2 p.m., rain or shine, at Mark Toyota at Village Park in Plover.

This event is held annually to recognize National EMS Week. People of all ages are welcome to join us for this very popular family friendly event, as there will be opportunities for all.

A number of agencies will be participating in the safety fair focusing on safety and emergency preparedness for all ages. Child fingerprinting, face painting, rescue tool demonstrations, the fire safety house, boat simulator, and hands-only CPR are just some of the events planned for this day.

The Portage County Sheriff's Office Emergency Medical Services Division and the Plover Fire Department will also be featuring their new paramedic ambulance in a Noon dedication ceremony.

The Plover Police will be on hand with their K-9 officer "Bill" and his Toyota 4-Runner. Food and drinks will be available for purchase from the Boys and Girls Club throughout the day.
