- 2.3.2 **Contributing to truancy.**
- 2.3.3 **Definitions.**

- 2.3.7 **References to statutes.**
- 2.3.8 **Severability.**

PREAMBLE

The Portage County Board of Supervisors hereby finds that primary and secondary education of school-age children is vital to their well-being and society at large. Children who are truant from educational programs are at a significantly greater risk to fall behind their peers. A continuing pattern of truancy is likely to cause significant difficulties in becoming productive and stable members of the community. The Portage County Board of Supervisors THEREFORE does hereby adopt this truancy ordinance to encourage school-age children to attend school regularly and to provide incentives to their parents and guardians to assist such children in their education.

2.3.1 Truancy and habitual truancy. No person under the age of 18 years who is subject to school attendance laws shall be a truant or an habitual truant as defined in this section.

2.3.2 Contributing to truancy. (a) Except as provided in subsection (b) below no person 17 years of age or older shall, by act or omission, knowingly encourage or contribute to the truancy of a person subject to school attendance laws.

(b) Subsection (a) above does not apply to a person who has under his or her control a child who has been sanctioned under Wis. Stat. § 49.26 (1) (h).

(c) An act or omission contributes to a truancy of a pupil whether or not the pupil is adjudged to be in need of protection or services, if the natural and probable consequences of that act or omission would be to cause the pupil to be truant.

2.3.3 Definitions. For purposes of this section: (a) "Acceptable excuse" means permission of the parent/guardian/legal custodian of a pupil, within limits of policies on truancy established by the school in which the pupil is enrolled and shall comply with §118.15 and §118.16 (4) Wis. Stats. Except in emergencies or unforeseeable circumstances, such permission is expected to be communicated in writing from the parent/guardian/legal custodian to the school, prior to the absence. In emergencies or unforeseeable circumstances, such communication is expected to be as soon as practicable following the absence.

(b) "Truant" means a pupil who is absent from school without an acceptable excuse under Wis. Stat. §118.15 and §118.16 for part or all of any day on which school is held during a school semester.

(c) "Habitual Truant" means a pupil who is absent from school without an acceptable excuse under Wis. Stat. §118.15 and §118.16 for part or all of 5 or more days on which school is held during a school semester.

(d) "Operating Privilege" has the meaning given in Wis. Stat. §340.01.

2.3.4 Disposition and sanctions for truants. (a) Dispositions. Upon a finding of truancy, the court is authorized to enter a dispositional order containing some or all of the terms and conditions authorized by §118.163, Wis. Stats., and/or §938.342, Wis. Stats., or their successor statutes, including but not limited to:

(1) An order for the person to attend school.

(2) A forfeiture of not more than \$50.00 plus costs for a first violation, or a forfeiture of not more than \$100.00 plus costs for any second or subsequent violation committed within 12 months of a previous violation, subject to Wis. Stat. §938.37 and subject to a maximum cumulative forfeiture amount of not more than \$500 for all violations committed during a school semester. All or part of the forfeiture plus costs may be assessed against the person, the parents or guardian of the person, or both.

(4) Any of the above dispositions may be enforced by electronic monitoring.

(b) **Sanctions for violation of dispositional order.** If the court finds that a person violates a condition of his or her dispositional order under §2.3.4, the court may impose as a sanction on the person, including, but not limited to, any combination of the following as authorized by §938.355(6m)(ag), if at the time of disposition the court explained the conditions to the person and informed the person of those possible sanctions:

(1) An order to suspend the person's operating privilege, as defined in Wis. Stat. §340.01(40), or any approval issued under Wis. Stat. ch. 29, including, but not limited to, suspension of the person's hunting, fishing, snowmobiling and ATV privileges for not less than thirty (30) days nor longer than one year. Stat. §343.08, on the date of the order issued under this subsection, the court may order the suspension or limitation to begin on the date that the operator's license would otherwise be reinstated or issued after the person applies and qualifies for issuance or 2 years after the date of the order issued under this subsection, whichever occurs first. If the court suspends the person's operating privilege or an approval issued under Wis. Stat. ch. 29, the court shall immediately take possession of the suspended license or approval and forward it to the department that issued the license or approval with a notice stating the reason for and the duration of the suspension.

2.4.1 Purpose and Findings

(a) Purpose. It is the purpose of this Ordinance to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of Portage County, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within Portage County. The provisions of this Ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this Ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this Ordinance to condone or legitimize the distribution of obscene or illegal material.

(b) Findings. Based on evidence of the adverse secondary effects of adult uses presented in hearings and in reports made available to the Portage County Board of Supervisors, and on findings, interpretations, and narrowing constructions incorporated in the cases of *City of Littleton v. Z.J. Gifts D-4, L.L.C.*, 541 U.S. 774 (2004); *City of Los Angeles v. Alameda Books, Inc.*, 535 U.S. 425 (2002); *California v. LaRue*, 409 U.S. 109 (1972); *Young v. American Mini Theatres*, 427 U.S. 50 (1976); *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986); *FW/PBS Inc. v. City of Dallas*, 493 U.S. 215 (1990); *Barnes v. Glen Theatre, Inc.* 501 U.S. 560 (1991); *City of Erie v. Pap's A.M.*, 529 U.S. 277 (2000); *East of River Enterprises v. City of Hudson, Case No. 99-1801 (Unpublished)(Wis. Ct. App., April 11, 2000)*; *East of River Enterprises v. City of Hudson, Case No. 99-2667 (Unpublished)(Wis. Ct. App., Aug. 1, 2000)*; *Ben's Bar, Inc v. City of Somerset*, 316 F.3d 702 7th Cir. (2003); and based upon reports concerning secondary effects occurring in and around sexually oriented businesses, including, but not limited to, Austin, Texas - 1986; Indianapolis, Indiana - 1984; Garden Grove, California - 1991; Houston, Texas - 1983, 1997; Phoenix, Arizona - 1979, 1995-98; Chattanooga, Tennessee - 1999-2003; Los Angeles, California - 1977; Whittier, California - 1978; Spokane, Washington - 2001; Seattle, Washington; Bellevue, Washington; St. Cloud, Minnesota - 1994; Minneapolis, Minnesota; St. Paul, Minnesota; Littleton, Colorado - 2004; Oklahoma City, Oklahoma - 1986; Dallas, Texas - 1997; Greensboro, North Carolina - 2003; Newport News, Virginia; Cleveland, Ohio; Amarillo, Texas - 1977; Beaumont, Texas; Dallas, Texas; New York, New York Times Square - 1994; St. Croix County, Wisconsin and the Report of the Attorney General's Working Group on the Regulation of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota) and statistics obtained from the U.S. Department of Health and Human Services, Centers for Disease Control and Preventions.

The Portage County Board of Supervisors finds:

- (1) Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation.
- (2) Sexually oriented businesses lend themselves to ancillary and unlawful and unhealthy activities that are uncontrolled by the operators of the establishments. Further, there is presently no mechanism to make the owners of these establishments responsible for the activities that occur on their premises.

(3) Certain employees of sexually oriented businesses, as defined in this Ordinance, engage in higher incidences of certain types of illicit sexual behavior than employees of other establishments.

(4) Specified sexual activity, as defined in this Ordinance, occurs at sexually oriented businesses, especially those which provide private or semi-private booths or cubicles for viewing films, videos, or live sex shows.

(5) Offering and providing such space described in (4) above encourages specified sexual activity as defined in this Ordinance, which creates unhealthy conditions.

(6) Persons frequent sexually oriented businesses for the purpose of engaging in sex within the premises of such sexually oriented businesses.

(7) At least 50 communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, chlamydia, human immunodeficiency virus infection (HIV), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections and shigella infections.

(8) Since 1981 and to the present, there has been an increasing cumulative number of reported cases to the Center for Disease Control (CDC) of acquired immunodeficiency syndrome (AIDS), caused by HIV, in the United States: 600 in 1982; 253,448 in 1992; and 902,223 through December 31, 2003.

(9) The State of Wisconsin Division of Public Health indicated that on July 25, 1986, there were 96 cases of AIDS reported in the state of Wisconsin, including 54 cases that resulted in death. Through 2004, there were 5,690 cumulative cases of AIDS reported in the state of Wisconsin, including 3,100 cases resulting in death.

(10) The number of cases of syphilis in the United States reported to the CDC annually was in excess of 34,000 in 2003.

(11) The number of cases of gonorrhea in the United States reported to the CDC annually was in excess of 330,000 in 2003.

(12) In his report of October 22, 1986, the Surgeon General of the United States has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug use, exposure to infected blood and blood components and from an infected mother to her newborn.

(13) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

(14) Sanitary conditions in some sexually oriented businesses are unhealthy in part because the activities conducted there are unhealthy and, in part because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.

(15) Numerous studies and reports have determined that semen is found in the areas of sexually oriented businesses where persons view adult oriented films.

(16) Crime statistics show that all types of crimes, especially sex-related crimes, occur with more frequency in neighborhoods where sexually oriented businesses are located.

(17) Studies of the relationship between sexually oriented businesses and neighborhood property values have found a negative impact on both residential and commercial property values.

(18) There is an increase in the potential for infiltration by organized crime for the purpose of unlawful conduct.

(19) The consumption of alcoholic beverages on the premises of sexually oriented businesses exacerbates the deleterious secondary effects of such businesses on the community. In fact, the Supreme Court has gone so far as to assert that "[c]ommon sense indicates that any form of nudity coupled with alcohol begets undesirable behavior." *Ben's Bar*, 316 F.3d 702, citing *New York State Liquor Auth. v. Bellanca*, 452 U.S. 714, 718 (1981).

(20) Sexually oriented businesses have operational characteristics which should be reasonably regulated in order to protect the substantial government concerns addressed in the above Subsections.

(21) A reasonable licensing procedure is an appropriate mechanism to place the burden of reasonable regulations on the owners, operators and employees of the sexually oriented businesses. Further, such a licensing procedure will place an incentive on the owners, operators and employees to ensure that the sexually oriented business is run in a manner consistent with the health, safety, and welfare of its patrons and employees, as well as the citizens of Portage County. It is appropriate to require reasonable assurances that the licensee is the actual owner, operator or employee of the sexually oriented business and fully in possession and/or control of the premises and activities occurring thereon.

(22) Removal of doors on adult booths and requiring sufficient lighting on premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in sexually oriented businesses.

(23) The disclosure of certain information by those persons ultimately responsible for the day to day operation and maintenance of the sexually oriented business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually transmitted diseases.

(24) In the prevention of the spread of communicable diseases, it is desirable to obtain a limited amount of information regarding certain employees who may engage in the conduct which this Ordinance is designed to prevent, or who are likely to be witnesses to such conduct.

(25) The general welfare, health, morals and safety of the citizens of Portage County will be promoted by the enactment of this Ordinance.

(26) Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses to

minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area.

(27) Each of the foregoing negative secondary effects constitutes a harm which Portage County has a substantial governmental interest in preventing and/or abating. This substantial governmental interest in preventing secondary effects, which is Portage County's rationale for this Ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, Portage County's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in Portage County. Portage County finds that the cases and documentation relied on in this Ordinance are reasonably believed to be relevant to said secondary effects.

The temporary license shall expire upon the final decision of Portage County to deny or grant an annual license. Within twenty (20) business days of the filing of a completed sexually oriented business employee license application, the Portage County Clerk shall either issue a license to the applicant or issue a written notice of intent to deny a license to the applicant. may be read at any time that the business is occupied by patrons or is open to the public. A sexually oriented business employee shall keep the employee's license on his or her person or on the premises where the licensee is then working or performing.

2.4.6 Fees

(a) The initial license and annual renewal fees for sexually oriented business licenses and sexually oriented business employee licenses shall be as follows: three hundred dollars (\$300) for the initial fee for a sexually oriented business license and one hundred fifty dollars (\$150) for annual renewal; one hundred dollars (\$100) for the initial sexually oriented business employee license and fifty dollars (\$50) for annual renewal.

This Subsection shall be narrowly construed to authorize reasonable inspections of the licensed premises pursuant to this Ordinance, but not to authorize a harassing or excessive pattern of inspections.

(b) The provisions of this Subsection do not apply to areas of an adult motel which are currently being rented by a customer for use as a permanent or temporary habitation.

2.4.8 Expiration and Renewal of License

(b) The Portage County Clerk shall issue a written notice of intent to suspend a sexually oriented business employee license if the Portage County Clerk makes an initial determination that the employee has knowingly violated this Ordinance.

2.4.10 Revocation

(a) The Portage County Clerk shall issue a written notice of intent to revoke a sexually oriented business license or a sexually oriented business employee license, as applicable, if the Portage County Clerk makes an initial determination that the licensee knowingly violated this Ordinance or has knowingly allowed an employee or any other person to violate this Ordinance and a suspension of the licensee's license has been in effect at any time within the previous twelve (12) month period.

(b) The Portage County Board of Supervisors shall revoke a sexually oriented business license or a sexually oriented business employee license, as applicable, if:

(1) The licensee has knowingly given false information in the application for the sexually oriented business license or the sexually oriented business employee license, material facts were omitted from the application or the information required to be provided pursuant to this Ordinance was not supplemented in writing by personal service or certified mail, return receipt requested, to the Portage County Clerk within ten (10) business days of a change of circumstances which would render the information originally submitted false or incomplete; or

(2) The licensee has knowingly or recklessly engaged in or allowed possession, use, consumption or sale of any intoxicating liquor, cereal malt beverage, other alcoholic beverage or controlled substance on the premises of the sexually oriented business; or

(3) The licensee has knowingly or recklessly engaged in or allowed prostitution on the premises of the sexually oriented business; or

(5) The licensee has knowingly or recklessly engaged in or allowed any specified sexual activity to occur in or on the premises of the sexually oriented business. This Subsection will not apply to an adult motel, unless the licensee knowingly allowed sexual activities to occur in exchange for money or in a public place or within public view; or

(6) The licensee, operator or any employee of the licensee, violates any provisions of this Ordinance or any rules or regulation adopted by the County Board pursuant to this Ordinance; provided, however, that in the case of a first offense by a licensee where the conduct was solely that of an employee, the penalty shall not exceed a suspension of thirty (30) calendar days, if the County Board shall find that the licensee had no actual or constructive knowledge of such violation and could not by the exercise of due diligence have had such actual or constructive knowledge; or

(7) The licensee becomes ineligible to obtain a license or permit; or

(8) Any fee or charge required to be paid by this Ordinance is not paid; or

(9) The licensee has knowingly allowed or permitted an intoxicated person or persons to enter or remain in the establishment.

(c) The fact that any relevant conviction is being appealed shall have no effect on the revocation of the license, provided that, if any conviction which serves as a basis of a license revocation is overturned or reversed on appeal, that conviction shall be treated as null and of no effect for revocation purposes.

(d) When, after the notice and hearing procedure described in this Ordinance, the Portage County Board of Supervisors revokes a license, the revocation shall continue for one (1) year and the licensee shall not be issued a sexually oriented business license or sexually oriented business employee license for one (1) year from the date revocation becomes effective.

2.4.11 Hearing; Denial, Suspension, Revocation, and Non-Renewal; Appeal

(a) When the Portage County Clerk issues a written notice of intent to deny, suspend, revoke or not renew a license, the Portage County Clerk shall immediately send such notice, which shall include the specific grounds under this Ordinance for such action, to the applicant or licensee (respondent) by personal service or certified mail. The notice shall be directed to the most current business address or other mailing address on file with the Portage County Clerk for the respondent. The notice shall specify a date, not less than ten (10) business days nor more than twenty (20) business days after the date the notice is issued, on which the Portage County Board of Supervisors or in the alternative, the Judicial/General Government Committee or other committee of the County Board as designated by the Portage County Board of Supervisors, shall conduct a hearing on the Portage County Clerk's written notice of intent to deny, suspend, revoke or not renew the license.

At the hearing, the respondent shall have the opportunity to present all of respondent's arguments and to be represented by counsel, present evidence and witnesses on his or her behalf, and cross-examine any of the Portage County clerk's witnesses. The Portage County Clerk shall also be represented by counsel, and shall bear the burden of proving the grounds for denying, suspending, revoking or not renewing the license. The hearing shall take no longer than two (2) business days, unless extended at the request of the respondent to meet the requirements of due process and proper administration of justice. The Portage County Board of Supervisors shall issue a written decision, including specific reasons for the decision pursuant to this Ordinance, to the respondent within five (5) business days after the hearing.

If the decision is to deny, suspend, revoke or not renew the license, the decision shall not become effective until the thirtieth (30th) day after it is rendered, and the decision shall include a statement advising the respondent of the right to appeal such decision to a court of competent jurisdiction. If the Portage County Board of Supervisor's decision finds that no grounds exist for denial, suspension, revocation or non-renewal of the license, the Portage County Board of Supervisors shall, contemporaneously with the issuance of the decision, order the Portage County Clerk to immediately withdraw the intent to deny, suspend, revoke or not renew the license and to notify the respondent in writing by personal service or certified mail of such action. If the respondent is not yet licensed, the Portage County Clerk shall contemporaneously therewith issue the license to the applicant.

(b) If any court action challenging the Portage County Board of Supervisor's decision is initiated, the Portage County Board of Supervisors shall prepare and transmit to the court a transcript of the hearing within ten (10) business days after receiving written notice of the filing of the court action. The Portage County Board of Supervisors shall consent to expedited briefing and/or disposition of the action, shall comply with any expedited schedule set by the court, and shall facilitate prompt judicial review of the proceedings. The following shall apply to any sexually oriented business that is lawfully operating as a

sexually oriented business, or any sexually oriented business employee that is lawfully employed as a sexually oriented business employee, on the date on which the completed business or employee application, as applicable, is filed with the Portage County Clerk: upon the filing of any court action to appeal, challenge, restrain, or otherwise enjoin Portage County's enforcement of the denial, suspension, revocation or non-renewal, the Portage County Clerk shall immediately issue the respondent a Provisional License. The Provisional License shall allow the respondent to continue operation of the sexually oriented business or to continue employment as a sexually oriented business employee and will expire upon the court's entry of a judgment on the respondent's appeal or other action to restrain or otherwise enjoin Portage County's enforcement.

(c) The procedure set forth above shall be followed for all appeals and reviews of a denial, suspension, revocation, and non-renewal of a license. However, to the extent that any provision set forth in Chapter 68 of the Wisconsin Statutes can be construed or interpreted to afford a person greater rights or greater due process protections than above, that provision shall control.

2.4.12 Transfer of License

A licensee shall not transfer his or her license to another, nor shall a licensee operate a sexually oriented business under the authority of a license at any place other than the address designated in the sexually oriented business license application. Violation of this Subsection shall automatically and immediately revoke the license.

2.4.13 Hours of Operation

2.4.14 Physical Layout of Sexually Oriented Business

An operator's station shall not exceed thirty-two (32) square feet of floor area. If the premises has two (2) or more operator's stations designated, then the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose from at least one of the operator's stations. The view required in this paragraph must be by direct line of sight from the operator's station. It is the duty of the operator to ensure that at least one employee is on duty and situated in each operator's station at all times that any patron is on the premises.

(b) A person who operates or causes to be operated a sexually oriented business which exhibits in a booth or viewing room on the premises, through any mechanical or electronic image-producing device, photographs, films, motion pictures, video cassettes, compact discs, digital video discs, slides, or other visual representations characterized by an emphasis on the display of specified sexual activities or specified anatomical areas shall comply with the following additional requirements.

The diagram shall also designate the place at which the license will be conspicuously posted, if granted. A professionally prepared diagram in the nature of an engineer's or architect's blueprint shall not be required; however, each diagram shall be oriented to the north or to some designated street or object and shall be drawn to a designated scale or with marked dimensions sufficient to show the various internal dimensions of all areas of the interior of the premises to an accuracy of plus or minus six inches. The Portage County Clerk may waive the foregoing diagram for renewal applications if the applicant adopts a diagram that was previously submitted and certifies that the configuration of the premises has not been altered since it was prepared.

(2) It shall be the duty of the operator, and of any employee present on the premises, to ensure that no patron is permitted access to any area of the premises which has been designated as an area in which patrons will not be permitted.

(3) The interior premises shall be equipped with overhead lighting fixtures of sufficient intensity to illuminate every place to which patrons are permitted access at an illumination of not less than five (5.0) foot candles as measured at the floor level. It shall be the duty of the operator, and of any employee present on the premises, to ensure that the illumination described above is maintained at all times that the premises is occupied by patrons or open for business.

(4) It shall be the duty of the operator, and of any employee present on the premises, to ensure that no sexual activity occurs in or on the licensed premises.

(ii) That sexual activity on the premises is prohibited.

(iii) That the making of openings between viewing rooms is prohibited.

(iv) That violators will be required to leave the premises.

(v) That violations of these regulations are unlawful.

(6) It shall be the duty of the owner and operator and it shall also be the duty of any employee present on the premises, to enforce the regulations articulated in (5)(i) through (iv) above.

(7) It shall be the duty of the owner and operator, and it shall also be the duty of any employee present on the premises, to ensure that the booth viewing room specified in this paragraph remains unobstructed by any doors, curtains, walls, merchandise, display racks or other materials or enclosures at all times that any patron is present on the premises.

(8) It shall be the duty of the owner and operator, and it shall also be the duty of any employee present on the premises, to maintain the premises in a clean and sanitary manner at all times.

(9) It shall be the duty of the owner and operator, and it shall also be the duty of any employees present on the premises, to insure compliance of the sexually oriented business and its patrons with the provisions of this Ordinance.

(c) It shall be unlawful for a person having a duty under this Subsection to knowingly fail to fulfill that duty. Every act or omission by an employee constituting a violation of the provisions of this Subsection shall be deemed the act or omission of the licensee if such act or omission occurs either with the authorization, knowledge, or approval of the licensee, or as a result of the licensee's negligent failure to supervise the employee's conduct, and the licensee shall be punishable for such act or omission in the same manner as if the licensee committed the act or caused the omission. Any act or omission of any employee constituting a violation of the provisions of this Ordinance shall be deemed the act or omission of the licensee for the purposes of determining whether the licensee's license shall be revoked, suspended or renewed.

2.4.15 Loitering, Exterior Lighting, Visibility, and Monitoring Requirements

(a) It shall be the duty of the operator of a sexually oriented business to: (a) post conspicuous signs stating that no loitering is permitted on such property; (b) designate one or more employees to monitor the activities of persons on such property by visually inspecting such property at least once every ninety (90) minutes or inspecting such property by use of video cameras and monitors; and (c) provide lighting of the exterior premises to provide for visual inspection or video monitoring to prohibit loitering. If used, video cameras and monitors shall operate continuously at all times that the premises are open for business. The monitors shall be installed within an operator's station.

(b) It shall be unlawful for a person having a duty under this Subsection to knowingly fail to fulfill that duty. Every act or omission by an employee constituting a violation of the provisions of this Subsection shall be deemed the act or omission of the licensee if such act or omission occurs either with the authorization, knowledge, or approval of the licensee, or as a result of the licensee's negligent failure to supervise the employee's conduct, and the licensee shall be punishable for such act or omission in the same manner as if the licensee committed the act or caused the omission. Any act or omission of any employee constituting a violation of the provisions of this Ordinance shall be deemed the act or omission of the licensee for the purposes of determining whether the licensee's license shall be revoked, suspended or renewed.

(c) No sexually oriented business shall erect a fence, wall, or other barrier that prevents any portion of the parking lot(s) for the establishment from being visible from a public right of way.

2.4.16 Exclusions

The provisions of this Ordinance do not apply to the following establishments: theaters, performing arts centers, civic centers, and dinner theaters where live dance, ballet, music and dramatic performances of serious artistic merit are offered on a regular basis; and in which the predominant business or attraction is not the offering of entertainment which is intended for sexual interests or titillation of customers; and where the establishment is not distinguished by an emphasis on or the advertising or promotion of nude or semi-nude performances. While expressive live nudity may occur within these establishments, this Ordinance

seeks only to minimize and prevent the secondary effects of sexually oriented businesses on the community. Negative secondary effects have not been associated with the establishments referenced in this Subsection.

2.4.17 Penalties and Enforcement

(a) The provisions of this Ordinance shall be enforced under the direction of the Portage County Board of Supervisors, through the Portage County Corporation Counsel Office and the Portage County Sheriff's Department. The Sheriff's Department shall immediately report any suspected violations of this ordinance to the Portage County Clerk. Citations may be issued by the Portage County Sheriff's Department pursuant to Portage County Ordinance Section 5.1 to impose forfeitures. The amount of the citation shall be as stated in Section 5.1 and in accordance with any amendments thereto. The issuance of a citation under this subsection shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this subsection.

(b) The Portage County Corporation Counsel, or other legal counsel retained by Portage County, is hereby authorized to institute civil proceedings necessary for the enforcement of this Ordinance to prosecute, restrain, or correct violations hereof. This includes commencing a civil action seeking the imposition of a forfeiture as set forth in (c). Any proceedings, including injunction, shall be brought in the name of Portage County, provided however, that nothing in this Subsection and no action taken hereunder, shall be held to exclude such criminal or administrative proceedings as may be authorized by any Federal, State, Local or other provision of this Ordinance, or any of the laws in force in Portage County, or to exempt anyone violating this code or any part of the said laws from any penalty which may be incurred. The court may utilize any lawful authority to compel enforcement of this Ordinance, including contempt.

(c) Any civil proceedings commenced pursuant to (b) above which are necessary for the enforcement of this Ordinance, may be commenced against any person, firm, company, corporation, agent, employee, contractor or subcontractor who violates any term of this Ordinance and shall subject the violator to a forfeiture of one-thousand (\$1000) dollars, together with the costs of any enforcement action. Every violation and every day of violation shall constitute separate offenses.

2.4.18 Applicability of Ordinance to Existing Businesses

All existing sexually oriented businesses and sexually oriented business employees are hereby granted a *de facto* temporary license to continue operation or employment for a period of ninety (90) calendar days following the effective date of this Ordinance. By the end of said ninety (90) calendar days, all sexually oriented businesses and sexually oriented business employees must conform to and abide by the requirements of this Ordinance.

2.4.19 Prohibited Conduct

It is unlawful for a sexually oriented business to knowingly violate the following regulations or to knowingly allow an employee or any other person to violate the following regulations:

(a) It shall be a violation of this Ordinance for a patron, employee, or any other person to knowingly or intentionally, in a sexually oriented business, appear in a state of nudity, regardless of whether such public nudity is expressive in nature.

(b) It shall be a violation of this Ordinance for a person to knowingly or intentionally, in a sexually oriented business, appear in a semi-nude condition unless the person is an employee who, while semi-nude, remains at least six (6) feet from any patron or customer and on a stage at least eighteen (18) inches from the floor in a room of at least one thousand (1,000) square feet.

(c) It shall be a violation of this Ordinance for any employee who appears semi-nude in a sexually oriented business to knowingly or intentionally touch a customer or the clothing of a customer on the premises of a sexually oriented business unless it is for the purpose of protecting the person's health, safety or welfare.

(d) It shall be a violation of this Ordinance for any person to sell, use, or consume alcoholic beverages, narcotics or illegal drugs on the premises of a sexually oriented business.

(e) No employee of a sexually oriented business shall allow any minor to loiter around or to frequent a sexually oriented business. It shall be the duty of the licensee of each sexually oriented business to ensure that an attendant is stationed at each public entrance to the sexually oriented business at all times during such sexually oriented businesses' regular business hours and to prevent any person under the age of eighteen (18) years of age from entering the sexually oriented business. It shall be presumed that an attendant knew a person was under the age of eighteen (18) unless such attendant asked for and was furnished:

(1) a valid operator's, commercial operator's or chauffeur's driver's license; or

(2) a personal identification card issued by the State of Wisconsin reflecting that such person is eighteen (18) years of age or older.

(f) It shall be prohibited to allow or permit any intoxicated person or persons to enter or remain in the establishment. 2.4.20 Scierter Required to Prove Violation or Business Licensee Liability

This Ordinance does not impose strict liability. Unless a culpable mental state is otherwise specified herein, a showing of a knowing or reckless mental state is necessary to establish a violation of a provision of this Ordinance. Notwithstanding anything to the contrary, for the purposes of this Ordinance, an act by an employee that constitutes grounds for suspension, revocation or non-renewal of that employee's license shall be imputed to the sexually oriented business licensee for purposes of finding a violation of this Ordinance, or for purposes of license denial, suspension, revocation or non-renewal, only if an officer, director, or general partner, or a person who managed, supervised, or controlled the operation of the business premises, knowingly or recklessly allowed such act to occur on the premises. It shall be a defense to liability that the person to whom liability is imputed was powerless to prevent the act.

2.4.21 Failure of Portage County to Meet Deadline Not to Risk Applicant/Licensee Rights

In the event that a Portage County official is required to act pursuant to this Ordinance within a prescribed time, and fails to act within the time prescribed, said failure shall not prevent the exercise of constitutional

rights of an applicant or licensee. If the act required of the Portage County official under this Ordinance, and not completed in the time prescribed, includes approval of condition(s) necessary for approval by Portage County of an applicant's or licensee's application for a sexually oriented business license or a sexually oriented business employee license (including a renewal), the license shall be deemed granted and the business or employee allowed to commence operations or employment the day after the deadline for Portage County's action has passed.

2.4.22 Location of Sexually Oriented Businesses

(a) Sexually oriented businesses shall not be required to obtain a conditional use permit or special exception use permit.

(b) It shall be unlawful to establish, operate, or cause to be operated a sexually oriented business in Portage County, unless said sexually oriented business is at least:

"School" includes the school grounds, but does not include facilities used primarily for another purpose and only incidentally as a school.

(5) 1,000 feet from any private or public park or recreational area which has been designated for park or recreational activities including, but not limited to, a park, playground, nature trail, swimming pool, reservoir, athletic field, basketball or tennis court, pedestrian/bicycle path, wilderness area, campground including any area designated as a gathering place for children under 18 years of age, or other similar private or public land within Portage County.
