## WE NEED YOUR SUPPORT

The PCHHS Employees' Foundation relies solely on the financial contributions and involvement of staff in Foundation activities for its continued operations and success.

We want to thank each and every person who has contributed either monetarily or through other means during the past year. Your participation in Foundation activities is greatly appreciated; it truly makes a difference in the lives of many individuals and the survival of many programs served by the Foundation.

We ask for your ongoing support to ensure the continuation of these worthwhile opportunities.

Please consider making a contribution to the Employees' Foundation. Contributions are tax deductible. A contribution form is included with this brochure if you wish to make either a one-time contribution or would like to have an automatic payroll deduction.

The Foundation would also appreciate any suggestions or ideas about future fund raisers. A good fund raising idea could be worth hundreds of dollars to the Foundation. If you have ideas or suggestions, please list these on the contribution form. Thank you.
