6. Summary of Current Actions

March 25, 2020 18:00

Public Health DOC/ICS operation day 7. 1 Positive Case.

Testing of individuals continues based on 4-tiered testing criteria established by DHS on 03/19/2020.

The DHS outbreaks website will no longer include updates on community spread. It is preferred to say that COVID-19 is spreading throughout Wisconsin.

Additional states in the United States identified as sustaining community transmission.

PCHHS-DPH Operations team activities:

- Timely entry of PIF/PUI forms
- Monitoring symptoms of Portage County residents at medium to high risk and tested for COVID-19
- Providing guidance to the community
- Monitor for test results reported in WEDSS.
- PH intake received a heavy load of calls.

Community response call - discussion regarding COVID-19 response organized by the Division of Public Health. Highlights from the discussion include:

- Portage County United Way undertaking collection of PPE supplies in the community.
- Concerns regarding social distancing practices at places of employment for essential services.
- UWSP will be offering childcare and housing opportunities for healthcare workers on campus.

DHS Upcoming Strategic National Stockpile Order Process memo for this week.

DHS clinical call, note: home-made surgical masks or scarfs do not offer protection for the wearer against COVID-19.

DHS Received contract for isolation facility in Portage County. Waiting on contract review.

Fielding of calls related to definition of what an "essential service" is from the community in response to release of emergency order #12.
