## **PORTAGE COUNTY DAILY PRESS RELEASE UPDATE**

FOR IMMEDIATE RELEASE

As of March 26, Portage County will provide daily press releases with information and updates Monday through Friday. These will cover its ongoing response to COVID-19 as well as information from various departments that will help to inform the public. To be clear, these are not the only releases that the county will issue, but we felt it necessary to provide regular updates to the media and to your viewers and readers. As always, please reach out to us with any questions you may have and thank you for all that you do to keep our communities and our region informed.

1. **Update:** Solid Waste Department Information
2. **Reminder:** Online Voter Registration Information (see link below)
3. **Update:** Portage County Circuit Court Orders (see link below)

- 
1. The Portage County Solid Waste Department has been deemed essential and we are still open our normal hours Monday - Friday. We are currently **closed on Saturdays**, and we are **not accepting any hazardous waste or confidential shred**.

Per Governor Ever's Safer-At-Home Order, we ask that you consider this before visiting us:

- The governor has asked that all non-essential activities be suspended and has asked that residents "stay at home" for their own safety, and the safety of our employees.
- Is your need to deliver garbage or other items to us essential or critical to limiting exposure to COVID-19?
- Can it wait a few more weeks?
