6. Summary of Current Actions

March 29, 2020 16:00

Public Health DOC/ICS operation day 10. 1 Positive Case.

Testing of individuals continues based on 4-tiered testing criteria established by DHS on 03/19/2020. Priority set for testing of individuals in tier I and tier II.

The DHS outbreaks website will no longer include updates on community spread. It is preferred to say that COVID-19 is spreading throughout Wisconsin.

Additional states in the United States identified as sustaining community transmission.

PCHHS-DPH Operations team activities:

- Timely entry of PIF/PUI forms
- Monitoring symptoms of Portage County residents at medium to high risk and tested for COVID-19
- Providing guidance to the community
- Monitor for test results reported in WEDSS.
- PH intake calls lower at volume.

DHS Health Officer Forums resources call at 14:00 on 3/28/2020 & 3/29/2020.

- DHS recognizing PPE resourcing challenges.
- DHS is recognizing challenges in securing testing media – may limit expanding tests to LTC and coroners.
- DHS working guidance for isolation and quarantine facilities for LHDs.
- DHS including some epi information for COVID-19 on website dashboard.
- WEMs/HERCs have concerns related to medical surge

DHS Received contract for isolation facility in Portage County. Waiting on contract clarification regarding facility rental/use agreement and hold harmless policy.

Safety message: All staff must maintain social distancing - 6 feet of space between and less than 10 people in a confined space. To minimize contact and maintain social distancing, use Skype and telephone as much as possible.
