Safety messages: Employees who exhibit, or are aware of, any COVID-19 symptoms themselves, or employees who must care for family members or other household members with symptoms, must report those symptoms or situation to their supervisor or department head immediately. If any employee travels outside their local community (excluding essential travel for medical appointments, pharmacy, grocery shopping or employment) they must inform their supervisor or department head immediately. Monitor temperature daily and record on temperature log.

It is recommended to wear a facemask while interacting with the public and other staff.
