

## **NOTICE TO PORTAGE COUNTY PROPERTY TAXPAYERS**

**The due date for the final installment of 2019 property taxes is July 31st.**

You **may** be eligible to pay this installment as late as October 1, 2020:

In response to the COVID-19 Pandemic, the Wisconsin Legislature enacted Act 185 which enabled counties and municipalities to adopt resolutions allowing certain installment payments due after April 1, 2020, to be paid by October 1, 2020, without interest or penalty. Portage County's Board of Supervisors adopted such a resolution, as did 26 of the 27 municipalities in Portage County. This waiver of interest and penalty applies to 2019 tax bills where the first installment was paid on time, in its entirety. This waiver does not apply to parcels in the Town of Belmont as their Board of Supervisors chose not to adopt a resolution allowing this waiver.

### **Payments are accepted via the following methods:**

Online: <http://landinfo.co.portage.wi.us/LandRecords>
