- k. Votes of the members of the county board shall be deemed final upon confirmation and posting of the computer results by the County Clerk.
- l. Tablet Devices (a/k/a mobile devices) may be distributed to members of the County Board of Supervisors with the consent of the member. Reasonable regulations and policies may be set for the distribution and use of such devices.

3.1.49 DUTIES OF THE CHAIR OF THE COUNTY BOARD

a. Board Duties

General. The Chair is the elected head of the County Board and shall set and approve the agenda and meeting times and places of the County Board. The Chair shall ensure County Board compliance with Wisconsin's Open Meetings and Open Records Law.

Meetings. The County Board Chair preserves the order of the County Board, and shall decide all the questions of order, subject to an appeal of the County Board. The Chair may excuse the attendance of members and the excuse shall be entered into the minutes of the County Board. The Chair shall preserve and may speak on points of order in preference to other Supervisors and shall be required to vote on all questions and matters pertaining to the County Board, except questions on appeal from his decisions, and his vote shall be recorded with the rest. The Chair shall ensure the County Board and individual Supervisors act consistently with the County Board's Rules and Policies. The Chair shall preside at County Board meetings in an efficient and effective manner and shall set the general tone for each meeting through positive leadership. Deliberation will be fair, open, and thorough, but also efficient, timely, orderly, and to the point. Consistent with Board rules and the conduct of an orderly meeting, the Chair shall allow public input on agenda items after registration.

Conflict. The Chair is a member of the County Board, and has the same rights in debate as any other member and may discuss issues before the Board. However, the Chair is also obligated to maintain impartiality when presiding over the County Board. If the Chair has an unresolved conflict of interest regarding matters before the Board, the First Vice Chair or Second Vice Chair will then assume the Chair for the duration of the discussion and action on the subject agenda item.

b. General Duties

Leadership. The Chair shall provide leadership and coordination for the integration of county governmental functions, including the county board, its committees and the departments. The Chair shall maintain an effective relationship with the County Executive in the management and oversight of county government, to include ensuring compliance with county policies. The Chair, or designee, shall represent the County at various events and functions in the community and conduct negotiations on behalf of the county as needed.

The Chair shall ensure the other Supervisors are informed of current and pending County Board issues and processes in coordination with the County Clerk. The Chair shall ensure that the Board remains focused on key legislative tasks and functions and shall foster good relations among members. The Chair shall ensure that all supervisors are involved in the work of the Board and encourage active engagement and contributions of all members of the Board.

In particular, the Chair will apprise the Board and county officials of pending legislative and legal changes to county operations. By law, the Chair shall take care that all federal, state, and local laws, rules and regulations pertaining to county government are enforced.

Committee membership. The Chair shall be an ex-officio member of all committees, but may vote as such in committee only in the absence of a member of the committee.

3.1.50 RESIDENCY REQUIREMENT FOR APPOINTMENTS AND CONFIRMATIONS

a. Only county residents may be appointed to boards, commissions, and committees. A resident is an individual who has resided continuously within Portage County for thirty days before appointment. An appointee must continue his or her residency to maintain the appointment.

b. Exceptions to this policy may be granted for good cause shown.
