## **PURPOSE**

This annex provides a guideline for the coordination of personnel, equipment and agencies needed in response and recovery from a disaster or other major incident.

## **CONCEPT OF OPERATIONS**

The county will assist affected municipalities with resource coordination. The county will also support the coordination of volunteer activities and donated goods and services. The county will manage information, logistics, finances and administrative support and provide an inventory of resources available from government agencies, non-profit organizations and private contractors. Annex A (Direction and Control) outlines the process for coordinating local and county agencies' resources.

Specialized resources, especially those from federal agencies and other states, will be requested and coordinated through Wisconsin Emergency Management (WEM). In particular, the Terrorism Attachment 9 to Annex D (Law Enforcement) describes the available state and federal assets as available in a WMD incident response.

During the recovery phase, all agencies are expected to support continuing operations with equipment and staff.

## **RESPONSIBILITIES AND TASKS**

### **A. County Emergency Management and All Agencies**

#### **Response**

Utilizing the ICS Structure, perform the following:

1. Request resources from county, state and mutual aid agencies; non-profit and volunteer (VOAD) organizations and private contractors.
2. Implement a system to record, direct and track all resources (including hours donated by volunteer laborers) being activated and all associated costs.
3. Prioritize requests for resources to meet basic needs (e.g., potable water, food, emergency power.)
4. Prioritize the distribution of resources to the areas of highest need. American Red Cross along with Portage County Health and Human Services will request and coordinate volunteer activities.
5. Identify secure facilities and the necessary infrastructure and support from which resource coordination and distribution activities are conducted. Identify shortfalls or gaps in the local ability to support such activities and request additional resources to fill gaps.

6. Identify the types of personal protective equipment (PPE) required for volunteers. If PPE is needed, ensure that it is acquired, issued and users are trained on proper usage before they respond to the field. Document activities.
7. Identify and obligate transportation resources for goods and people. Factor requirements for special needs populations into requests.
8. Support local efforts to coordinate (i.e., receive, sort, warehouse, distribute) donated goods and volunteer services
9. United Way Volunteer Center, American Red Cross and Portage County Health and Human Services, will enact a system to register volunteers and to coordinate and document their activities (e.g., training, responsibilities, injuries, equipment.) This ensures that volunteers are covered under State Statute 323 for workers' compensation.
10. Coordinate with County Executive, County Board and agencies to activate Continuity of Operations/Continuity of Government plans as needed.
11. Work with public works departments, private contractors and the Wisconsin DNR to coordinate debris removal.

### **Recovery**

1. Reconsider resource interventions and reassign or dismiss as needed. Rehabilitate or restock resources to a state of readiness.
2. Review contracts for goods and services with staff (e.g., legal counsel, WEM, FEMA) to ensure quality.
3. Issue media releases with guidance to help protect the public from inappropriate business practices.
4. Work with appropriate agencies to coordinate debris removal.

## **B. Volunteer Agencies**

### **Response**

1. Join the ICS structure.
2. Coordinate activities with County Executive, County Emergency Management Director or designee.
3. Provide services as requested.
4. Document activities and maintain accurate records for tracking purposes.

## **C. Other Supporting Agencies**

### **Response**

1. Join the ICS structure.
2. Mobilize resources dispatched to the affected area and track their disposition.
3. Utilize resources to conduct operations in support of local response.
4. Record and report to county emergency management the costs of utilizing the resources for disaster or emergency operations.

Possible attachments for Annex C:

- List of local volunteer agencies and organizations such as Kiwanis, Lions Club, church groups, youth groups, etc., that could be a source of volunteers.
- Resource tracking system forms or description
- Sources of emergency power
- Sources of potable water
- List other resources as may be appropriate
- Volunteer Coordination and Registration forms and/or description in form of SOP
- Continuity of Operations Plan
- Debris Removal SOP.

The undersigned have hereby reviewed and approved Annex C of the Portage County Emergency Operations Plan.

Director: Sharon Flugaur  
Email: [tsbkflugaur@charter.net](mailto:tsbkflugaur@charter.net)  
Phone: 715-341-3009

Portage County Advocates for the Developmentally Disabled (ADD) provides information and support to disabled persons and promotes increased awareness of the needs of the disabled. Through its Community Partners Program, it initiates and supports one-to-one relationships between disabled adults and community volunteers. As community partners, volunteers are companions at community events and activities. They act as role models, lend a hand, and offer emotional support. They are friends. Program expanded in 2003 to SPASH students. 15-20 special education students are paired with peers for friendship and support in transitioning from school to work and independent living.

### **Rural Delivered Meals**

Nutrition Director: Joni Smith  
Email: [smithj@co.portage.wi.us](mailto:smithj@co.portage.wi.us)

The Aging & Disability Resource Center Nutrition Program delivers meals to homebound older adults in Portage County. This service is coordinated with congregate noon meal sites at seven county locations. Meals are delivered by volunteers and Aging & Disability Resource Center bus drivers. A medical provider referral is necessary. The meal delivery not only provides well-balanced nutritious meals but also an important daily check on the well-being of the recipient. In addition, staff provides services of nutrition education, assessment visits, and referrals to other agencies as needed.

### **Adult Day Center**

Caregiver Support Services Director: Tonia Simmons  
Email: [simmonst@co.portage.wi.us](mailto:simmonst@co.portage.wi.us)

The Aging & Disability Resource Center Adult Day Center provides supervised activities and programming for isolated, medically frail, cognitively impaired or physically disabled older adults. The program offers an enjoyable, social and therapeutic environment for up to 40 participants daily, while providing respite and support for caregivers.

### **Volunteer Caregivers (formerly Interfaith)**

Volunteer Caregiver Coordinator: Leslie Smith

Volunteer Caregivers is an organization whose volunteers put their faith into action by offering a variety of services to elderly, disabled and Portage County residents who have a need and have no other support system available. Services include transportation, grocery shopping/errands, friendly visiting and companionship, letter writing, reading, yard work, News on Disc, and senior home repairs.

## **Health Promotion Program**

Senior Center Director: Donna Calhoun

Email: [calhound@co.portage.wi.us](mailto:calhound@co.portage.wi.us)

The Health Promotion Program assists adults age 55 and older in maintaining their independence as they age, through participation in evidence-based prevention programs and volunteer activities. These activities result in better physical and mental health and decreased levels of disability, and increased life span. This program helps to adopt healthy behaviors, improve health status and reduce the use of health care services, and prevent or delay the need for long term care services.

Direct: 877-618-6628 x7482

Cell: 715-409-0815

## **Service to Armed Forces**

When a military family experiences a crisis, the American Red Cross is there to help. Wherever military service takes them, service members can rest assured that the Red Cross will deliver notification of an emergency such as the death or serious illness of an immediate family member, as well as the good news of the birth of a service member's child or grandchild.

## **Disaster Services**

During a disaster response, the Red Cross provides emergency food, clothing and shelter. Our focus is on recovery and re-establishing lives quickly. When a fire or other community disaster occurs, Red Cross personnel are activated by local fire or law enforcement officials on the scene. All Red Cross assistance is provided free of charge.

## **BIG BROTHERS BIG SISTERS**

1000A Division Street

Stevens Point, WI 54481

Executive Director: Dawn Cherek

Email: [dcherek@bigimpact.org](mailto:dcherek@bigimpact.org)

Website: [www.bigimpact.org](http://www.bigimpact.org)

Big Brothers/Big Sisters of Central helps children reach their potential by fostering professionally supported one-to-one relationships with measurable impact.

## **Community and Site-Based Match Program:**

Community-based mentoring matches volunteers (ages 16 & up) with children ages 6 to 17 years in one-to-one mentoring relationships. Volunteers are enrolled by trained professional staff to determine the best child for the "match". Matches may be with the same gender, opposite gender, or shared with another volunteer. After the match is introduced and approved by the parent, they meet regularly on a schedule of their convenience, and receive ongoing support from an agency Match Specialist who works to assure child safety, healthy relationship development, volunteer satisfaction and positive youth outcomes.

Site-Based Mentoring is an option in which a volunteer mentor meets with a child at the same time each week at a school or other designated site. They may meet before, during, or after school, and may have a combined academic and recreational focus. Matches may spend their time on a variety of activities such as homework, reading, board games, sports, or art activities. Professional staff monitors and supports matches to assure safety, satisfaction, consistency with educational objectives, and positive child outcomes. The match may also continue contact over the summer months if Big Brothers Big Sisters staff approve.

Email: [jordan.derber@bgclubpc.org](mailto:jordan.derber@bgclubpc.org)  
Phone: 715-341-4386 x1178

The Teen Program is designed to serve youth grades 7-12. Teen specific programming takes place at our Plover, Almond/Bancroft, Junction City locations and one site, The Club, devoted specifically to teens. In addition, the Teen Program offers a variety of outreach events such as P.J. Jacobs Homework Center and sports activities at the Rec Center – each meant to reach out to a broader audience of teens. Those that attend The Club on a regular basis participate in programs such as Cooking Club, Sweat Your Pants Off, Man Club, Smart Girls, Keystone Leadership Club, *Power Hour* afterschool homework assistance, and regular opportunities to participate in and learn about opportunities in Portage County. The Club offers a range of programming, but the primary focus of The Club is to give teens a safe place to go where they will receive opportunities to develop positive relationships with peers and adult mentors.

Supervisor: Brenda Diamond  
Phone: 715-342-8060  
Email: [Brenda.Diamond@ministryhealth.org](mailto:Brenda.Diamond@ministryhealth.org)

Ministry Dental Center, located at 3504 Maria Dr. in Stevens Point, is a dental clinic designed to serve patients with Badgercare or Medicaid health coverage. Because reimbursement rates for Medicaid and Badgercare are substantially lower than prevailing fees charged by dentists, low income persons often have great difficulty accessing dental care. This results in a high proportion of severe oral health problems in this population. This clinic has two FTE dentists and 2 dental hygienists. The Center provides services to Medicaid and Badgercare recipients who reside in Portage, Wood, Southern Marathon and western Waupaca counties. The Center currently has a one year waiting list for appointments. The clinic is operated by Ministry Health Care, and is a cooperative partnership of Ministry Health Care, CAP Services, Inc. and Delta Dental of Wisconsin.

This program provides a combination of support services to parents of children birth to 18 years of age:

### **Parenting Skills Class: Pathways to Parenting:**

This voluntary class is designed for parents of children ages birth to 12 years old. The sessions run for 10 weeks and parents can enter the group at any time during the session. Registration is required and daycare is provided with 1 week notice prior to attendance.

### **Parenting Skills Class: Parents of Teens:**

This voluntary class is designed for parents and their teenage children, but attendance by teenagers is optional. The first 6 weeks provides parents with tools to set limits and the second 6 weeks provides parents the skills they need to keep their relationship with their teen strong. Parents must register in advance.

### **Community Response Program:**

This voluntary in-home parent education program provides families some extra help caring for their children. The program's goal is to connect families to services and support within the community.

Website: [www.communityindustries.org](http://www.communityindustries.org)

Community Industries Corporation offers services to enhance opportunities for people with disabilities to participate in community life as valued workers, neighbors and family members.

## **Supported Employment**

Coordinator: Ginger Groshek  
Email: [ggros@communityindustries.org](mailto:ggros@communityindustries.org)

Supported Employment Program helps Portage County residents with a disability to find and secure jobs in integrated work environments that may allow opportunity for advancement, better wages and benefits. Participants work with job coaches to determine work interests, identify job supports needed, explore job options and even try out certain jobs. Families or caregivers may give information to help set job goals. A job search is initiated, and when a participant is hired in a local business, assistance is provided to employee and employer to make the job a success.

Program Director: MaiGer Moua  
Email: [askus@unitedwaymc.org](mailto:askus@unitedwaymc.org)  
Website: [www.unitedwaymc.org](http://www.unitedwaymc.org)

United Way's 2-1-1 connects people in Portage County with community-based health and human service resources, 24 hours a day, 7 days a week, in everyday situations and times of public disaster, by providing information and referral and serving as a catalyst for new or improved services. Portage County's 2-1-1 services are provided through a partnership between United Way of Portage County and United Way of Marathon County.

### **Emergency Food and Shelter**

The United Way is the fiscal agent and board chair for the Emergency Food and Shelter funds. The United Way is responsible for administration of the fund distribution process including; advertising fund availability, administration of funding applications, oversight and direction of the EFSP Local Board, administration and support of regular board meetings, processing of paperwork/vouchers for funding, and annual reporting requirements.

### **Emergency Partners**

The United Way of Portage County coordinates a quarterly meeting of area service providers including; non-profit organizations, churches, health and human services, veteran services, protective services, area pantries, and others that are interested and/or involved in providing services to low income community members of Portage County. Attendees at the meetings provide updates in services provided by their organizations and discuss new trends, concerns, etc.

### **In A Fix**

United Way of Portage County's In A Fix program provides monetary assistance for car repairs and/or tire repair and replacement for income eligible individuals who are employed. Assistance is limited to \$500 per calendar year, while funding lasts. This program is only served in the Portage County area.

### **Learn for Life**

Email: [laura@unitedwaypoco.org](mailto:laura@unitedwaypoco.org)  
Direct Line: 715-254-2187

United Way of Portage County's Learn for Life Program works to increase reading proficiency of students by recruiting and training volunteer reading tutors. Tutors are matched with students in the 2<sup>nd</sup> and 3<sup>rd</sup> grades who are identified as needing additional help with reading. The tutor and child meet each week, during school, for individualized sessions. There is also a program during summer school. Learn for Life is a collaboration of community volunteers, businesses and educators.

### **Make A Difference Day Rake-A-Thon**

Occurring the 4<sup>th</sup> weekend each October, Portage County's Annual Make A Difference Day Rake-A-Thon is the County's largest annual Day of Service. The program brings elderly and disabled residents together with teams of volunteers who rake their lawn. Make A Difference Day registration begins September 1. Elderly/disabled residents who qualify can register for the raking service by dialing 2-1-1 Mon-Fri between 8:00-4:30. More than 1000 volunteers are needed. Interested volunteers should go to [VolunteersRock.org/MADD](http://VolunteersRock.org/MADD) to assemble and register their raking team. A light, continental breakfast will be provided for volunteers the morning of the event.

### **No Child's Wet Behind**

"No Child's Wet Behind" is an annual community wide diaper drive that runs from Mother's Day through Father's Day. Diapers and donations raised through the drive are used to purchase diapers for distribution to income eligible Portage County families. Families needing diapers can request them through Emergency Services. Diapers are distributed through a number of area agencies serving low income families, including; Operation Bootstrap, Public Health, WIC (Women, Infants, and Children), Salvation Army HOPE Center, and CAP Services.

### **Project Fresh Start**

Project Fresh Start is an annual school supply drive and distribution for low-income students. Any child who attends a Portage County school and qualifies for free or reduced lunch is eligible to receive supplies through Project Fresh Start. Participant registration begins the first week of May through the last Friday in July. Interested families can learn more at [VolunteersRock.org/PFS](http://VolunteersRock.org/PFS). Supply distribution takes place the third Saturday in October at Ben Franklin Jr. High School in Stevens Point. A separate distribution for Almond-Bancroft students occurs the fourth Tuesday in August.

Businesses and organizations are encouraged to help collect school supplies throughout the summer. Collection drives typically kick off mid-June through mid-August. The Volunteer Center of Portage County acts as a central referral source, recruiting and screening volunteers for placement in agencies throughout the county. In addition to matching volunteers with organizations and individuals in need, the Volunteer Center coordinates annual projects such as Make A Difference Day and Project Fresh Start. The Center offers volunteer management training assistance to agencies. In addition, the Center also works with local businesses, schools and community organizations to promote the value of giving through service.

## YMCA

1000 Division Street  
Stevens Point, WI 54481

The purpose of the YMCA is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all people. United Way funds four specific YMCA programs:

### **Scholarship Assistance:**

This program allows at-risk youth and adults from low income households to join the YMCA on a sliding scale fee basis. This program supports families in hardship situations. No one is turned away from the YMCA due to inability to pay the fees.

### **Adapted Recreation:**

The YMCA offers special programs to people with varying disabilities, including Special Olympics sports, swimming lessons, exercise programs, arts & crafts, and more. An inclusion philosophy is utilized whenever possible.

### **Youth & Teen Program:**

A variety of programs for teens are offered. Teens can participate without being a YMCA member. The popular **Teen Night** program is open to teens every Saturday night throughout the school year at the YMCA facility from 7 pm to **10:30** p.m. Teen Leaders Club, Youth in Government, Teen Adventure Club, and Girls Night Out are other programs offered. The Family Prime Time Center and Teen Center also offer youth and teens a safe and fun socialization area. YMCA Teen Programs focus on providing participants with a safe environment, positive adult role models and encourage character development and leadership skills.

### **Child Care Youth Scholarship Program:**

Scholarship funds are awarded on a sliding scale fee basis to low income and at risk families participating in full-day child care, before and after school child care, preschool programs, and summer camp programs so they benefit from quality, affordable and accessible child care.
