

## Portage County Group Purchasing Cooperatives

Below you will find a listing of the various purchasing cooperatives and consortiums that Portage County is a member of. These purchasing groups can offer great benefits to the County in time and money savings when procuring various items and services. If your department is seeking larger purchases or looking for solutions for many small purchases (ex. Operating supplies) made throughout the year please review the contracts available.

If you find a contract you would like to utilize on any of these groups please contact the purchasing department at 715-346-1241 or by email at [purchasingdepartment@co.portage.wi.us](mailto:purchasingdepartment@co.portage.wi.us) to obtain information on how to use the contract.

If you find a purchasing group not on this list that you would like to join please notify Calvin Winters, Procurement Director, via email at [wintersc@co.portage.wi.us](mailto:wintersc@co.portage.wi.us). The purchasing group's methods and procedures will be reviewed for compliance with Portage County purchasing ordinance and any necessary paperwork to join will be completed.
